## ASSIGNMENT OF TRADEMARKS

This Trademark Assignment ("Assignment"), entered into as of September 28, 2012, is made by and between Johnson & Johnson, a New Jersey corporation ("Assignor") in favor of Valeant Pharmaceuticals International, Inc., a Canadian corporation, ("Assignee"), with respect to those trademark registrations and trademark applications identified on Exhibit A attached hereto ("Marks").

WHEREAS, Johnson & Johnson Consumer Companies, Inc. ("JJCI") and Assignee entered into that certain North American Asset Purchase Agreement ("Asset Purchase Agreement") dated as of September 9, 2012, pursuant to which, among other things, JJCI has agreed to sell, convey, assign and transfer to Assignee all of JJCI's and the Divesting Entities' (as defined in the Asset Purchase Agreement) rights, titles and interests in, to or under the Marks, and Assignee has agreed to accept the Marks, subject to the terms and conditions of the Asset Purchase Agreement.

NOW, THEREFORE, for the consideration set forth in the Asset Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Assignor, a Divesting Entity, does hereby irrevocably assign, transfer, convey and deliver to Assignee effective as of the date hereof, and Assignee hereby accepts, all of Assignor's right, title and interest in and to the Marks, including any common law, statutory and other rights associated therewith, together with the goodwill of the business associated with the use of and symbolized by the Marks (if any), and all the registration applications and registrations therefor, and all rights to (i) bring an action solely related to the Marks, whether at law or in equity, for past, present or future infringement, dilution, misappropriation, misuse or other violation of the Marks against any third party, (ii) any proceeds, benefits, privileges, causes of action, and remedies solely relating to the Marks, and (iii) recover damages, profits and injunctive relief for all past, present or future infringement, dilution, misappropriation, misuse, or other violation of the Marks.

This Assignment shall be governed by and construed in accordance with the laws of the State of New York, without regard to the conflicts of law, principles or rules of such state, to the extent such principles or rules would permit or require the application of the laws of another jurisdiction.

This Assignment is subject to all the terms and conditions of the Asset Purchase Agreement. This Assignment is intended for recordation purposes only, and to the extent this Assignment and the Asset Purchase Agreement conflict in any way, the terms of the Asset Purchase Agreement will control.
