TRADEMARK ASSIGNMENT

WHEREAS, Ricerca Biosciences, LLC, a Delaware limited liability company ("Assignor"), is the owner of the trademarks and corresponding registrations listed on **Exhibit A** and **Exhibit B** hereto (collectively, the "Marks"); and

WHEREAS, pursuant to the Stock and Asset Purchase Agreement dated September 18, 2012 (the "Purchase Agreement"), by and among Assignor, Eurofins Pharma Discovery Services, Inc., a Delaware corporation ("Assignee"), and Ricerca Holdings, Inc., a Delaware corporation, Assignor agreed to sell, and Assignee agreed to acquire, certain assets of Assignor, including the Marks and the goodwill associated therewith and symbolized thereby; and

WHEREAS, pursuant to the terms of the Purchase Agreement, Assignor has agreed to assign to Assignee any and all rights that Assignor has to the trademarks and corresponding registrations listed on **Exhibit C**, which registrations have expired (the "Expired Mark Rights").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound, Assignor hereby assigns to Assignee all of Assignor's right, title and interest in and to the Marks and the Expired Mark Rights together with the goodwill of the business associated therewith. Assignee is a successor to the business of Assignor to which the Marks and the Expired Mark Rights pertain, which business is ongoing and existing. Assignor covenants and agrees that it will execute and deliver such other instruments of sale, conveyance, assignment, transfer and delivery, and take such other actions, as are or may be necessary to more effectively sell, convey, assign, transfer and deliver to, and vest in Assignee, its successors and assigns, good, clear, record and marketable title to the Marks hereby sold, conveyed, assigned, transferred and delivered, or intended so to be, including those reasonably necessary to effectuate the recordation of the assignment. All costs and fees in connection with recording this Trademark Assignment shall be at the sole expense of Assignee.

This Trademark Assignment includes all rights in the nature of trademark, service mark and trade name rights, as well as the right to sue for past infringement by any third party.

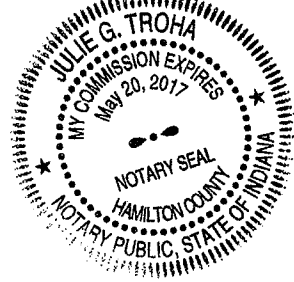

This Trademark Assignment shall be governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of laws of any jurisdiction other than those of the State of Delaware.

Ricerca Biosciences, LLC

By: [Signature]
Print Name: Gerald L. Jacobson
