TRADEMARK ASSIGNMENT

This Trademark Assignment (the "Assignment") is effective as of August 29th, 2012 (the "Effective Date") and is between Stemage Skin Care, LLC, a North Carolina limited liability company ("Assignee") and Edison Nation, LLC, a North Carolina limited liability company ("Assignor").

WHEREAS, Assignor is the owner of the mark shown on Schedule A (the "Mark"), and Assignor has agreed to sell, convey, and assign the Mark to Assignee, and Assignee has agreed to purchase such for the sum of one dollar (\$1.00); and

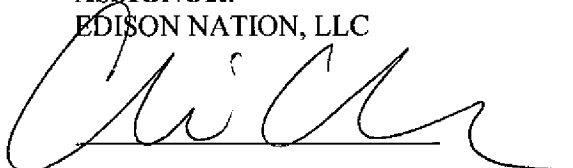

WHEREAS, the parties hereto desire for all of the right, title and interest in and to the Mark to be assigned from Assignor to Assignee in accordance with the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements contained in this Assignment, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Assignment. Assignor does hereby sell, convey, transfer, assign, and deliver unto Assignee, for the benefit of Assignee, its successors and assigns, the entire right, title and interest in, to, and under the Mark, as used in connection with the goods and services listed in the registrations on Schedule A, and in and to the goodwill associated with the Mark for Assignee's own use and benefit and for the use and benefit of its successors, assigns, or other legal representatives, together with all claims for damages for past infringement of said Mark, with the right to sue for, and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns, and other legal representatives.
2. Additional Consideration. As additional consideration for entering into this Agreement, Assignee will pay Assignor the one-time sum of one U.S. dollar (US\$1.00) within a reasonable period of time after the Effective Date.
3. Miscellaneous. This Assignment may be executed in one or more counterparts, each of which shall be an original but all of which shall constitute one instrument. Facsimile and pdf e-mail signatures shall have the same legal effect as manual signatures. If any provision contained in this Assignment shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not invalidate this entire Assignment. Such provision shall be deemed to be modified to the extent necessary to render it valid and enforceable, and if no such modification shall render it valid or enforceable, then this Assignment shall be construed as if not containing such provision.

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be executed as of the Effective Date.
