TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (the "Assignment") having an effective date of October 15, 2012 (the "Effective Date") is between **Bespoke Innovations, Inc.**, a California corporation, with a principal place of business at 321 Pacific Avenue, San Francisco, California 94111, United States and its Affiliates ("Assignor") and 3D Systems, Inc., a California corporation having a principal place of business at 333 Three D Systems Circle, Rock Hill, South Carolina 29730 USA ("Assignee").

WHEREAS, Assignor and Assignee are parties to a separate Stock Purchase Agreement (the "Agreement") dated May 24, 2012;

WHEREAS, Assignor is the exclusive owner of all right, title and interest in and to the trademarks and service marks, and all registrations or applications therefore, set forth on Schedule I hereto and incorporated by reference herein all common-law rights to such marks (collectively, the "Assigned Marks"); and

WHEREAS, Assignee desires to purchase or acquire all of Assignor's right, title and interest in and to the Assigned Marks;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

Assignor does hereby convey, transfer, assign, sell and deliver to Assignee all right, title and interest of Assignor in and to the Assigned Marks, including, without limitation, all common-law rights, and the registrations and applications for registration thereof, and the goodwill of the business connected with the use thereof and symbolized thereby, free and clear of all liens, collateral assignments or other encumbrances, all rights of priority therein in any country as may now or hereafter be granted to it by law, treaty or other international convention; and all rights, interests, claims and demands recoverable in law or equity, that Assignor has or may have in profits and damages for past, present and future infringements of the Assigned Marks, including, without limitation, the right to compromise, sue for and collect such profits and damages; the same to be held and enjoyed by Assignee, its successors and assigns or their legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, subject to the terms of the Agreement.

Assignor hereby represents, warrants and covenants that it owns all right, title and interest in and to the Assigned Marks, that it is not aware of any third party that has claimed that the Assigned Marks infringe its rights, that the Assigned Marks are not subject to any liens, collateral assignments or other encumbrances and that it has the full power and authority to convey all right, title and interest in and to the Assigned Marks, and that it has not executed and will not execute any agreement in conflict herewith.

At any time after the Effective Date (as hereafter defined), Assignor hereby agrees that Assignor will and will cause its affiliates and related parties to, from time to time, at its expense and without additional compensation, execute and deliver to Assignee such additional instruments, documents, conveyances or assurances and take such other action as shall be necessary, or otherwise reasonably be requested by Assignee, to confirm and assure the rights and obligations provided for in the Agreement and render effective the consummation of the transactions contemplated hereby and thereby, or otherwise to carry out the intent and purposes of the Agreement and this Assignment.

This Assignment will be governed by, and construed in accordance with, the laws of the United States, in respect to trademark issues and in all other respects including as to validity, interpretation and effect by the laws of the state of New York, without giving effect to the conflict of laws rules thereof.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be duly executed as of the Effective Date.
