TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of October 23, 2012, by LAMONT DIGITAL SYSTEMS, INC., a Connecticut corporation ("Grantor"), in favor of MADISON CAPITAL FUNDING LLC, in its capacity as agent ("Agent") for Lenders (as hereinafter defined).

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of even date herewith by and among Grantor as Borrower, Agent and the financial institutions ("Lenders") from time to time party thereto (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Credit Agreement"), Agent and Lenders have agreed to make Loans and to issue Letters of Credit for the benefit of Grantor;

WHEREAS, Agent and Lenders are willing to make the Loans and to issue Letters of Credit as provided for in the Credit Agreement, but only upon the condition, among others, that Grantor and certain affiliates of Grantor shall have executed and delivered to Agent, for itself and the ratable benefit of Lenders, that certain Guarantee and Collateral Agreement dated as of even date herewith (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Collateral Agreement"); and

WHEREAS, pursuant to the Collateral Agreement, Grantor is required to execute and deliver to Agent, for itself and the ratable benefit of Lenders, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Collateral Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Grantor hereby grants to Agent, on behalf of itself and Lenders, a continuing first priority security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

- (a) all of its Trademarks including those referred to on Schedule I hereto;
- (b) all reissues, continuations or extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
- (d) all proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (i) infringement or dilution of any such Trademark or (ii) injury to the goodwill associated with any such Trademark; provided that no security interest shall be granted in any United States "intent to use" trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such "intent to use" trademark applications under applicable federal law.

3. COLLATERAL AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, on behalf of itself and Lenders, pursuant to the Collateral Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
