FYX TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT ("Assignment") dated October 11, 2012 ("Effective Date") is made by Qualcomm Atheros, Inc., a Delaware corporation located at 1700 Technology Drive, San Jose, California 95110 ("Assignor"), to Qualcomm Labs, Inc., a California corporation located at 5775 Morehouse Drive, San Diego, California 92121 ("Assignee").

Assignor owns all right, title, and interest in and to the trademark FYX (the "Mark"), all common law trademark rights and goodwill inherent in the Mark, as well as United States Registration No. 3,920,937 for the Mark.

Assignee desires to own, and Assignor desires to assign to Assignee, Assignor's entire right, title and interest in and to the Mark, all accompanying goodwill in the Mark, and the trademark registration for the Mark.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

Assignor hereby assigns to Assignee Assignor's entire right, title, and interest in and to the Mark, together with U.S. Registration No. 3,920,937 and any and all of the goodwill of the business symbolized by and associated with the Mark, all rights of actions, powers, and benefit to the Mark, due or accrued and including the right to sue for and recover in the Assignee's own name and that of its successors and assigns and other legal representatives all remedies of every nature, including without limitation rights to injunctive relief, damages, profits, royalties, costs, and attorney fees, arising out of any infringement of the Mark, or injury to the related goodwill, occurring prior to or after the date of this Assignment.

Assignor agrees that, upon request and without further compensation, Assignor and Assignor's legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of truthful testimony, that may be necessary or reasonably requested by Assignee for obtaining, sustaining, maintaining, renewing, or enforcing the Mark, and for perfecting, recording, or maintaining the title of Assignee, and Assignee's successors and assigns, in and to the Mark. In the event that Assignee is unable after reasonable attempt to secure Assignor's signature to any document in connection with the foregoing, Assignor hereby constitutes and appoints Assignee as the Assignor's true and lawful attorney in fact, with full power of substitution in the Assignor's name and stead, to take any and all steps, including proceedings at law, in equity, or otherwise, to execute, acknowledge, and deliver any and all instruments and assurances necessary or expedient in order to vest or perfect the aforesaid rights and causes of action more effectively in Assignee or to protect the same or to enforce any claim or right of any kind with respect thereto. Assignor hereby declares that the foregoing power is coupled with an interest and as such is irrevocable.

This Assignment may be executed in two or more consecutive counterparts, each of which shall be an original, with the same effect as if the signatures were upon the same instrument.

IN WITNESS WHEREOF, the undersigned have caused this Assignment to be executed, effective as of the Effective Date.
