**GRANT OF SECURITY INTEREST
IN PATENTS AND TRADEMARKS**

WHEREAS, 3SI SECURITY SYSTEMS, INC., a Delaware corporation (the “Pledgor”) is the owner of the trademark registrations and applications in the United States Patent and Trademark Office as set forth on Schedule A attached hereto (all such trademarks, service marks, registrations and applications, collectively, the “Trademarks”) and is the owner of the patents and patent applications listed on Schedule A attached hereto, (all such patents, registrations and applications, collectively, the “Patents”); and

WHEREAS, the Pledgor has entered into a Security Agreement (as amended, modified, restated or supplemented from time to time, the “Security Agreement”), dated as of February 28, 2006, in which the Pledgor has agreed with The Governor and Company of the Bank of Ireland, as Administrative Agent (in such capacity, as successor to Allied Capital Corporation) (the “Administrative Agent”), to execute this Security Grant;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, as security for the payment and performance of the Secured Obligations (as defined in the Security Agreement), the Pledgor does hereby grant to the Administrative Agent a security interest in all of its right, title and interest in and to the Trademarks and the Patents, together with all proceeds and products thereof and the goodwill of the businesses symbolized by the Trademarks. This Security Grant has been given in conjunction with security interest granted to the Administrative Agent under the Security Agreement, and the provisions of this Security Grant are not intended to limit, restrict, supplement or amplify the provisions of the Security Agreement, which are incorporated herein by this reference.

Notwithstanding the foregoing, the security interest granted herein shall not extend to and the term “Trademarks” shall not include any Trademark applications filed in the United States Patent and Trademark Office on the basis of the Pledgor’s “intent-to-use” such Trademark (unless and until a statement of use in connection therewith has been filed with the United States Patent and Trademark Office). The Pledgor acknowledges that, following the filing with the United States Patent and Trademark Office of a statement of use with respect to any intent-to-use Trademark, the Pledgor’s interest in any such intent-to-use Trademark application shall automatically be subject to the security interest in favor of the Administrative Agent granted hereunder.
