EXHIBIT A

TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT ("Assignment") dated as of October 26, 2012 (the "Effective Date"), is made by and between TAYLOR SALES, INC., a New York corporation, ("Assignor"), and POLO KING USA, INC., a New York corporation ("Assignee").

WITNESSETH:

WHEREAS, Assignor is the owner of the trademark applications and registrations, together with the goodwill of the business connected with the use of, or symbolized by the foregoing, identified on Schedule A to this Assignment (collectively, the "Trademarks");

WHEREAS, pursuant to the Intellectual Property Purchase and Assignment Agreement, dated as of October 26, 2012 (the "Purchase Agreement"), by and between Assignor and Assignee, Assignor has agreed to assign certain intellectual property, including the Trademarks, to Assignee.

NOW, THEREFORE, in consideration of the premises and covenants set forth herein and in the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby assigns, transfers and conveys to Assignee all of Assignor's right, title, and interest in and to the Trademarks together with the goodwill of the business connected with the use of, or symbolized by, the Trademarks, any registrations and applications therefor, and all other corresponding rights under the laws of the United States or any foreign country, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor as if this Assignment had not been made, together with all income, royalties or payments due or payable and arising from the Trademarks as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Trademarks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

2. Cooperation. This Assignment has been executed and delivered by the Assignor for the purpose of recording the assignment herein with the appropriate governmental entity. The parties shall cooperate to execute and deliver such other documents and take all such other actions, at Assignee's expense, as reasonably necessary to effect the intent hereof.

3. General Provisions. Capitalized terms used herein but not defined herein shall have the meanings set forth in the Purchase Agreement. In the event of any

conflict between the terms of this Assignment and the terms of the Purchase Agreement, the terms of the Purchase Agreement shall control. This Assignment may not be supplemented, altered, or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Assignment shall not waive any of its rights under such terms or provisions.

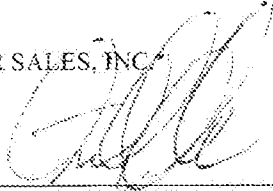

4. Miscellaneous. Governing law, notices, jurisdictions and other miscellaneous provisions of this Assignment will be governed by Sections 9.09 – 9.10 of the Purchase Agreement, which shall apply to this Assignment *mutatis mutandis*.

[Remainder of this page intentionally left blank. Signature page follows.]

IN WITNESS WHEREOF, Assignor and Assignee have caused this instrument to be executed by their respective duly authorized representatives as of the Effective Date.
