Grantor further authorizes the Administrative Agent for the ratable benefit of the Secured Parties, upon failure of Grantor to do so after request by the Administrative Agent, to have this or any other similar agreement recorded or filed with the USCO, USPTO or other appropriate federal, state or foreign government office. Grantor hereby agrees that if any of its Pledged Securities, Pledged Debt or other investment property (other than investment property held in a securities account) is at any time not evidenced by a certificate of ownership, then it shall (A) cause the issuer thereof to execute and deliver to the Administrative Agent for the ratable benefit of the

Secured Parties an acknowledgment of the pledge, and (B) if necessary to perfect a security interest in such Pledged Securities, Pledged Debt or other investment property, cause such pledge to be recorded on the equityholder register or the books of the issuer, and Grantor shall execute any customary pledge forms or other documents necessary or appropriate to complete the pledge and give the Administrative Agent for the ratable benefit of the Secured Parties the right to transfer such Pledged Securities, Pledged Debt or other investment property pursuant to the terms of this Agreement.

7. Deposit and Securities Accounts. For each deposit account and securities account that Grantor at any time opens or maintains, Grantor shall, at Administrative Agent's request and option, cause the depositary bank or applicable financial institution to agree to comply at any time with instructions from the Administrative Agent to such depositary bank or applicable financial institution directing the disposition of funds or other Collateral from time to time credited to such deposit account or securities account, as applicable, without further consent of Grantor, pursuant to an agreement in form and substance acceptable to the Administrative Agent in its sole discretion. Without limiting the foregoing, the Administrative Agent for the ratable benefit of the Secured Parties shall also have the right at any time, whether or not an Event of Default shall have occurred or be continuing, to make inquiry of each applicable depositary institution or applicable financial institution at which a deposit account or securities account is maintained to verify the account balance of such account.

8. Secured Parties' Rights Regarding Collateral. At any time (whether or not an Event of Default has occurred), the Administrative Agent for the benefit of Secured Parties may enter any premises on which Collateral is located and examine the same at all reasonable times on reasonable notice and at the expense of Grantor, in each case to the extent necessary or desirable to protect the security interests hereunder. At any time and from time to time, at the expense of Grantor, the Administrative Agent for the benefit of the Secured Parties may, to the extent it may be reasonably necessary or desirable to protect the security interests hereunder: (i) notify obligors on the Collateral that the Collateral has been assigned to Secured Party; and (ii) request from obligors on the Collateral, in the name of Grantor or in the name of the Secured Parties, information concerning the Collateral and the amounts owing thereon; provided, however, that any such communication with customers of or vendors to Grantor shall be carried out by the Administrative Agent for the benefit of the Secured Parties through Grantor's independent auditors unless an Event of Default has occurred and is continuing (in which case such communication may be made directly by Administrative Agent). Grantor shall maintain books and records pertaining to the Collateral in such reasonable detail, form and scope as Administrative Agent shall require consistent with Secured Parties' interests hereunder. At Administrative Agent's request, Grantor shall mark the Collateral and/or Grantor's ledger cards, books of account and other records relating to the Collateral with appropriate notations reasonably satisfactory to Administrative Agent disclosing Administrative Agent's security interests. Administrative Agent shall at all reasonable times on reasonable notice have full access to and the right to audit any and all of Grantor's books and records pertaining to the Collateral, have the right to confirm and verify the value of the Collateral and have the right to do whatever else Administrative Agent may deem reasonably necessary or desirable to protect its security interests hereunder; provided, however, that any such action which involves communicating with customers of or vendors to Grantor shall be carried out by the Administrative Agent for the benefit of the Secured Parties through Grantor's independent

auditors unless an Event of Default has occurred and is continuing (in which case such communication may be made directly by Administrative Agent). Neither Administrative Agent nor any other Secured Party shall be under any duty or obligation whatsoever to take any action to preserve any rights of or against any prior or other parties in connection with the Collateral, to exercise any voting rights or managerial rights with respect to any Collateral, whether or not an Event of Default shall have occurred, or to make or give any presentments, demands for performance, notices of non-performance, protests, notices of protests, notices of dishonor or notices of any other nature whatsoever in connection with the Collateral or the Secured Obligations under this Agreement. Neither Administrative Agent nor any other Secured Party shall be under any duty or obligation whatsoever to take any action to protect or preserve the Collateral or any rights of Grantor therein, or to make collections or enforce payment thereon, or to participate in any foreclosure or other proceeding in connection therewith.

9. Collections on the Collateral. Except as otherwise provided in any Loan Document, Grantor shall have the right to use and to continue to make collections on and receive dividends and other proceeds of all of the Collateral in the ordinary course of business so long as no Event of Default shall have occurred and be continuing. Upon the occurrence and during the continuance of an Event of Default, at the option of Administrative Agent, Grantor's right to make collections on and receive dividends and other proceeds of the Collateral and to use or dispose of such collections and proceeds shall terminate, and any and all dividends, proceeds and collections, including all partial or total prepayments, then held or thereafter received on or on account of the Collateral will be held or received by Grantor in trust for the Secured Parties and, upon request of the Administrative Agent (or, if Administrative Agent is prohibited from making such request under applicable Debtor Relief Laws, automatically and without the necessity of a request from Administrative Agent), immediately delivered in kind to the Administrative Agent for the ratable benefit of the Secured Parties. Any remittance received by Grantor from any Person shall be presumed to relate to the Collateral and to be subject to Administrative Agent's security interests hereunder. Upon the occurrence and during the continuance of an Event of Default, Administrative Agent shall have the right at all times to receive, receipt for, endorse, assign, deposit and deliver, in the name of the Administrative Agent or in the name of Grantor, any and all checks, notes, drafts and other instruments for the payment of money constituting proceeds of or otherwise relating to the Collateral; and Grantor hereby authorizes Administrative Agent to affix, by facsimile signature or otherwise, the general or special endorsement of Grantor, in such manner as Administrative Agent shall deem advisable, to any such instrument in the event the same has been delivered to or obtained by Administrative Agent without appropriate endorsement, and Administrative Agent and any collecting bank are hereby authorized to consider such endorsement to be a sufficient, valid and effective endorsement by Grantor, to the same extent as though it were manually executed by the duly authorized officer of Grantor, regardless of by whom or under what circumstances or by what authority such facsimile signature or other endorsement actually is affixed, without duty of inquiry or responsibility as to such matters, and Grantor hereby expressly waives demand, presentment, protest and notice of protest or dishonor and all other notices of every kind and nature with respect to any such instrument.

10. Possession of Collateral by Administrative Agent. All of the Collateral now, heretofore or hereafter delivered to the Administrative Agent shall be held by the Administrative Agent for the benefit of the Secured Parties in the Administrative Agent's

possession, custody and control. Any or all of the Collateral delivered to the Administrative Agent may be held in an interest-bearing or non-interest-bearing account, in Administrative Agent's sole and absolute discretion. Nothing herein shall obligate Administrative Agent to invest any Collateral or obtain any particular return thereon. Upon the occurrence and during the continuance of an Event of Default, whenever any of the Collateral is in Administrative Agent's possession, custody or control, Administrative Agent may use, operate and consume the Collateral, whether for the purpose of preserving and/or protecting the Collateral, or for the purpose of performing any of Grantor's obligations with respect thereto, or otherwise. Administrative Agent may at any time deliver or redeliver the Collateral or any part thereof to Grantor, and the receipt of any of the same by Grantor shall be complete and full acquittance for the Collateral so delivered, and Administrative Agent thereafter shall be discharged from any liability or responsibility therefor. So long as Administrative Agent exercises reasonable care with respect to any Collateral in its possession, custody or control, Administrative Agent shall have no liability for any loss of or damage to such Collateral, and in no event shall Administrative Agent have liability for any diminution in value of Collateral occasioned by economic or market conditions or events. Administrative Agent shall be deemed to have exercised reasonable care within the meaning of the preceding sentence if the Collateral in the possession, custody or control of Administrative Agent is accorded treatment substantially equal to that which Administrative Agent accords its own property, it being understood that Administrative Agent shall not have any responsibility for (a) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Collateral, whether or not Administrative Agent has or is deemed to have knowledge of such matters, or (b) taking any necessary steps to preserve rights against any Person with respect to any Collateral.

11. Events of Default. There shall be an event of default hereunder upon the occurrence and during the continuance of an Event of Default (as such term is defined in the Credit Agreement).

12. Rights Upon Event of Default. Upon the occurrence and during the continuance of an Event of Default, Administrative Agent for the ratable benefit of the Secured Parties shall have, in any jurisdiction where enforcement hereof is sought, in addition to all other rights and remedies that Administrative Agent may have under applicable Law or in equity or under this Agreement (including, without limitation, all rights set forth in Section 8 hereof) or under any other Loan Document, all rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction, and, in addition, the following rights and remedies, all of which may be exercised with or without notice to Grantor (unless notice is required by applicable law with respect to a particular action) and without affecting the Obligations of Grantor hereunder or under any other Loan Document, or the enforceability of the Liens and security interests created hereby:

(a) to foreclose the Liens and security interests created hereunder or under any other agreement relating to any Collateral by any available judicial procedure or without judicial process;

(b) to enter any premises where any Collateral may be located for the purpose of securing, protecting, inventorying, appraising, inspecting, repairing, preserving, storing, preparing, processing, taking possession of or removing the same;

(c) to sell, assign, lease or otherwise dispose of any Collateral or any part thereof, either at public or private sale or at any broker's board, in lot or in bulk, for cash, on credit or otherwise, with or without representations or warranties and upon such terms as shall be acceptable to the Administrative Agent;

(d) to notify obligors on the Collateral that the Collateral has been assigned to the Administrative Agent for the benefit of the Secured Parties and that all payments thereon are to be made directly and exclusively to the Administrative Agent for the benefit of Secured Parties;

(e) to notify any Issuer of any Pledged Securities, and any and all other obligors on any Collateral, that the same has been pledged to the Administrative Agent for the benefit of the Secured Parties and that all Distributions, interest and other payments thereon are to be made directly and exclusively to the Administrative Agent for the benefit of the Secured Parties;

(f) to collect by legal proceedings or otherwise all dividends, Distributions, interest, principal or other sums now or hereafter payable upon or on account of the Collateral;

(g) to cause the Collateral to be registered in the name of the Administrative Agent for the benefit of the Secured Parties, as legal owner;

(h) to enter into any extension, reorganization, deposit, merger or consolidation agreement, or any other agreement relating to or affecting the Collateral, and in connection therewith Administrative Agent may deposit or surrender control of the Collateral and/or accept other property in exchange for the Collateral;

(i) to settle, compromise or release, on terms acceptable to the Administrative Agent, in whole or in part, any amounts owing on the Collateral and/or any disputes with respect thereto;

(j) to extend the time of payment, make allowances and adjustments and issue credits in connection with the Collateral in the name of the Administrative Agent or in the name of Grantor;

(k) to enforce payment and prosecute any action or proceeding with respect to any or all of the Collateral and take or bring, in the name of Administrative Agent or in the name of Grantor, any and all steps, actions, suits or proceedings deemed by Administrative Agent necessary or desirable to effect collection of or to realize upon the Collateral, including any judicial or nonjudicial foreclosure thereof or thereon, and Grantor (i) specifically consents to any nonjudicial foreclosure of any or all of the Collateral or any other action taken by any Secured Party which may release any Loan Party from personal liability on any of the Collateral; and

(ii) agrees that any money or other property received by any Secured Party in exchange for or on account of the Collateral, whether representing collections or proceeds of Collateral, and whether resulting from voluntary payments or foreclosure proceedings or other legal action taken by any Secured Party or Grantor, may be applied by the Administrative Agent without notice to Grantor to the Secured Obligations in such order and manner as Administrative Agent in its sole discretion shall determine;

(l) to insure, process and preserve the Collateral;

(m) to exercise all rights (including voting rights), remedies, powers or privileges provided under any of the Loan Documents;

(n) to remove, from any premises where the same may be located, the Collateral and any and all documents, instruments, files and records, and any receptacles and cabinets containing the same, relating to the Collateral, and Administrative Agent may, at the cost and expense of Grantor, use such of its supplies, equipment, facilities and space at its places of business as may be necessary or appropriate to properly administer, process, store, control, prepare for sale or disposition and/or sell or dispose of the Collateral or to properly administer and control the handling of collections and realizations thereon, and Administrative Agent shall be deemed to have a rent-free tenancy of any premises of Grantor for such purposes and for such periods of time as required by Administrative Agent;

(o) to receive, open and dispose of all mail addressed to Grantor and notify postal authorities to change the address for delivery thereof to such address as Administrative Agent may designate; provided that Administrative Agent agrees that it will promptly deliver over to Grantor such opened mail as does not relate to the Collateral;

(p) to exercise all other rights, powers, privileges and remedies of an owner of the Collateral; and

(q) perform any obligation of Grantor under this Agreement or any other Loan Document;

in each case, at Administrative Agent's sole option and as Administrative Agent in its sole discretion may deem advisable. Grantor will, at Administrative Agent's request, assemble the Collateral and make it available to Administrative Agent at places which Administrative Agent may designate, whether at the premises of Grantor or elsewhere, and Grantor will make available to Administrative Agent, free of cost, all premises, equipment and facilities of Grantor for the purpose of allowing Administrative Agent to take possession of the Collateral, store the Collateral, remove the Collateral, put the Collateral in salable form, and/or sell or dispose of the Collateral.

Upon the occurrence and during the continuance of an Event of Default, Administrative Agent, for the benefit of the Secured Parties, also shall have the right, without notice or demand, either in person, by agent or by a receiver to be appointed by a court (and

Grantor hereby expressly consents upon the occurrence and during the continuance of an Event of Default to the appointment of such a receiver), and without regard to the adequacy of any security for the Secured Obligations, to take possession of the Collateral or any part thereof and to collect and receive the rents, issues, profits, income and proceeds thereof. Administrative Agent, for the benefit of the Secured Parties, shall further have the right to use any of the IP Collateral for the sale of goods, completion of work in process or rendering of services in connection with enforcing any of the security interests granted to Administrative Agent by Grantor. Taking possession of the Collateral shall not cure or waive any Event of Default or notice thereof or invalidate any act done pursuant to such notice. The rights, remedies and powers of any receiver appointed by a court shall be as ordered by said court.

Any public or private sale or other disposition of the Collateral may be held at any office of Administrative Agent, or at Grantor's places of business, or at any other place permitted by applicable Law, and without the necessity of the Collateral being within the view of prospective purchasers. Administrative Agent, for the benefit of the Secured Parties, may direct the order and manner of sale of the Collateral, or portions thereof, as it in its sole and absolute discretion may determine in accordance with all applicable Law, and Grantor expressly waives any right to direct the order and manner of sale of any Collateral. Administrative Agent, for the benefit of the Secured Parties, or any Person on Administrative Agent's behalf may bid and purchase at any such sale or other disposition. The net cash proceeds resulting from the collection, liquidation, sale, lease or other disposition of the Collateral shall be applied, first, to the expenses (including attorneys' fees and disbursements) of retaking, holding, storing, processing and preparing for sale or lease, selling, leasing, collecting and liquidating the Collateral, and then to the satisfaction of the Secured Obligations in such order as shall be determined by Administrative Agent in its sole and absolute discretion. Grantor and any other Person then obligated therefor shall pay to the Administrative Agent for the benefit of the Secured Parties on demand any deficiency with regard thereto which may remain after such sale, disposition, collection or liquidation of the Collateral.

Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Administrative Agent, for the benefit of the Secured Parties, will send or otherwise make available to Grantor reasonable notice of the time and place of any public sale thereof or of the time on or after which any private sale thereof is to be made. The requirement of sending reasonable notice conclusively shall be met if such notice is given to Grantor in accordance with the Credit Agreement at least ten (10) days before the date of the sale. Grantor expressly waives any right to receive notice of any public or private sale of any Collateral or other security for the Secured Obligations except as expressly provided for in this paragraph.

With respect to any Collateral, including the Pledged Collateral, consisting of securities, partnership interests, joint venture interests, Investments or the like, and whether or not any of such Collateral has been effectively registered under the Securities Act of 1933, as amended, or other applicable Laws, Administrative Agent, for the benefit of the Secured Parties, may, in its sole and absolute discretion, sell all or any part of such Collateral at private sale in such manner and under such circumstances as Administrative Agent, for the benefit of the Secured Parties, may deem necessary or advisable in order that the sale may be lawfully conducted. Without limiting the foregoing, Administrative Agent, for the benefit of the Secured

Parties, may (i) approach and negotiate with a limited number of potential purchasers, and (ii) restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing such Collateral for their own account for Investment and not with a view to the distribution or resale thereof. In the event that any such Collateral is sold at private sale, Grantor agrees that if such Collateral is sold for a price which Administrative Agent, for the benefit of the Secured Parties, in good faith believes to be reasonable under the circumstances then existing, then (a) the sale shall be deemed to be commercially reasonable in all respects, (b) Grantor shall not be entitled to a credit against the Secured Obligations in an amount in excess of the purchase price, and (c) no Secured Party shall incur any liability or responsibility to Grantor in connection therewith, notwithstanding the possibility that a substantially higher price might have been realized at a public sale. Grantor recognizes that a ready market may not exist for such Collateral if it is not regularly traded on a recognized securities exchange, and that a sale by Administrative Agent, for the benefit of the Secured Parties, of any such Collateral for an amount substantially less than a pro rata share of the fair market value of the issuer's assets minus liabilities may be commercially reasonable in view of the difficulties that may be encountered in attempting to sell a large amount of such Collateral or Collateral that is privately traded.

Upon the occurrence and during the continuance of an Event of Default, Administrative Agent, for the benefit of the Secured Parties, may use any of the IP Collateral for the sale of goods, completion of work in process, or rendering of services in connection with enforcing any security interest granted to Administrative Agent, for the benefit of the Secured Parties, by Grantor. Administrative Agent, for the benefit of the Secured Parties, may grant such license or licenses relating to the IP Collateral for such term or terms, on such conditions and in such manner, as Administrative Agent shall, in its sole discretion, deem appropriate. Such license or licenses may be general, special, or otherwise, and may be granted on an exclusive or nonexclusive basis throughout all or part of the United States of America, its territories and possessions, and all foreign countries. In connection with any such license or any sale or other disposition of the IP Collateral (or any part thereof), Grantor shall supply to Administrative Agent, for the benefit of the Secured Parties, or Administrative Agent's designee, to the extent Grantor is able to do so, Grantor's knowledge and expertise relating to the manufacture and sale of the products and services bearing the IP Collateral and Grantor's customer lists and other records relating to the IP Collateral and the distribution thereof.

Upon consummation of any sale of Collateral hereunder, Administrative Agent, for the benefit of the Secured Parties, shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the Collateral so sold absolutely free from any claim or right upon the part of Grantor or any other Person, and Grantor hereby waives (to the extent permitted by applicable Laws) all rights of redemption, stay and appraisal which it now has or may at any time in the future have under any rule of Law or statute now existing or hereafter enacted. If the sale of all or any part of the Collateral is made on credit or for future delivery, no Secured Party shall be required to apply any portion of the sale price to the Secured Obligations until such amount actually is received by such Secured Party, and any Collateral so sold may be retained by Administrative Agent, for the benefit of the Secured Parties, until the sale price is paid in full by the purchaser or purchasers thereof. No Secured Party shall incur any liability in case any such purchaser or purchasers shall

fail to pay for the Collateral so sold, and, in case of any such failure, the Collateral may be sold again.

13. Voting Rights; Dividends; etc. With respect to any Collateral consisting of securities, capital stock, membership interests, partnership interests, joint venture interests, Investments or the like, including any Pledged Collateral (referred to collectively and individually in this Section 13 and in Section 14 hereof as the "Investment Collateral"), so long as no Default or Event of Default occurs and remains continuing:

13.1 Voting Rights. Grantor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Investment Collateral, or any part thereof, for any purpose not inconsistent with the terms of this Agreement, the Credit Agreement, or the other Loan Documents; provided, however, that Grantor shall not exercise, and shall refrain from exercising, any such right if it could reasonably be foreseen to result in a Default or an Event of Default.

13.2 Interest Dividend and Distribution Rights. Except as otherwise provided in any Loan Document, Grantor shall be entitled to receive and to retain and use any and all interest and Distributions paid in respect of the Investment Collateral; provided, however, that, any and all such interest and Distributions received in the form of capital stock, membership interests or other Equity Interests, certificated securities, warrants, options or rights to acquire any Equity Interests forthwith shall be, and the certificates representing such Equity Interests, if any, forthwith shall be delivered to the Administrative Agent for the benefit of the Secured Parties to hold as Pledged Collateral and shall, if received by Grantor, be received in trust for the benefit of the Secured Parties, be segregated from the other property of Grantor, and forthwith be delivered to the Administrative Agent for the benefit of the Secured Parties as Pledged Collateral in the same form as so received (with any necessary endorsements in suitable form for transfer by delivery or accompanied by executed and undated instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to Administrative Agent).

14. Rights During Event of Default. With respect to any Investment Collateral, so long as a Default or Event of Default has occurred and is continuing:

14.1 Voting, Dividend, and Distribution Rights. At the option of Secured Party, all rights of Grantor to exercise the voting and other consensual rights which they would otherwise be entitled to exercise pursuant to Section 13.1 above, and to receive the interest and Distributions which they would otherwise be authorized to receive and retain pursuant to Section 13.2 above, shall cease, and all such rights thereupon shall become vested in the Administrative Agent for the benefit of the Secured Parties which thereupon shall have the sole right to exercise such voting and other consensual rights and to receive and to hold as Pledged Collateral such interest and Distributions.

14.2 Dividends and Distributions Held in Trust. All Distributions which are received by Grantor contrary to the provisions of this Agreement shall be

received in trust for the benefit of the Secured Parties, shall be segregated from other funds of Grantor, and forthwith shall be paid over to the Administrative Agent for the benefit of the Secured Parties as Pledged Collateral in the same form as so received (with any necessary endorsements).

14.3 Irrevocable Proxy. Grantor does hereby revoke all previous proxies with regard to the Investment Collateral, except to the extent Grantor is prohibited by Law from revoking such proxies, and appoints the Administrative Agent for the benefit of the Secured Parties as its proxyholder to attend and vote at any and all meetings of the shareholders or other equity holders of the Persons that issued the Investment Collateral and any adjournments thereof, held on or after the date of the giving of this proxy and prior to the termination of this proxy, and to execute any and all written consents of shareholders or other equity holders of such Persons executed on or after the date of the giving of this proxy and prior to the termination of this proxy, with the same effect as if Grantor had personally attended the meetings or had personally voted its shares or other interests or had personally signed the written consents; provided, however, that the proxyholder shall have rights hereunder only upon the occurrence and during the continuance of a Default or Event of Default. Grantor hereby authorizes the Administrative Agent for the benefit of the Secured Parties to substitute another Person as the proxyholder and, upon the occurrence and during the continuance of any Default or Event of Default, hereby authorizes the proxyholder to file this proxy and any substitution instrument with the secretary or other appropriate official of the appropriate Person. This proxy is coupled with an interest and is irrevocable until such time as no commitment to extend credit to Grantor remains outstanding from any Lender or L/C Issuer and until such time as all Secured Obligations have been paid and performed in full.

15. Attorney-in-Fact. Grantor hereby irrevocably nominates and appoints the Administrative Agent for the benefit of the Secured Parties as its attorney-in-fact, until such time as all Secured Obligations shall have been paid and performed in full and no commitment to extend credit to Grantor remains outstanding from any Lender or any L/C Issuer, for the following purposes: (a) to do all acts and things which Administrative Agent may deem necessary or advisable to perfect and continue perfected the security interests created by this Agreement, to process and develop the Collateral and to preserve, protect and maintain the Collateral; (b) to do any and every act which Grantor is obligated to do under this Agreement, at the expense of Grantor; (c) to prepare, sign, file and/or record, for Grantor, in the name of Grantor, any financing statement, application for registration, or like paper, and to take any other action deemed by Administrative Agent necessary or desirable in order to perfect or maintain perfected the security interests granted hereby; (d) to execute any and all papers and instruments and do all other things necessary or desirable to protect Administrative Agent's security interests in the Collateral; and (e) upon the occurrence and during the continuance of an Event of Default, to endorse and transfer the Pledged Collateral to any transferee or designee; provided, however, that Administrative Agent shall be under no obligation whatsoever to take any of the foregoing actions, and if Administrative Agent so acts, it shall have no liability or responsibility for any such action taken with respect thereto in the absence of gross negligence and willful misconduct. The foregoing power of attorney is coupled with an interest and is irrevocable until such time as no commitment to extend credit to Grantor remains outstanding from any Lender or

any L/C Issuer and until such time as all Secured Obligations have been paid and performed in full.

16. Costs and Expenses. Grantor agrees to pay to the Secured Parties all costs and expenses (including, without limitation, attorneys' fees and disbursements) incurred by the Secured Parties in the enforcement or attempted enforcement of this Agreement (including in connection with any workout, restructuring, bankruptcy, insolvency or other similar proceeding), whether or not an action is filed in connection therewith, and in connection with any waiver, supplementation, extension, renewal or amendment of any term or provision hereof. All advances, charges, costs and expenses, including attorneys' fees and disbursements, incurred or paid by any Secured Party in exercising any right, privilege, power or remedy conferred by this Agreement (including, without limitation, the right to perform any Secured Obligation of Grantor under the Loan Documents), or in the enforcement or attempted enforcement thereof (including in connection with any workout, restructuring, bankruptcy, insolvency or other similar proceeding), shall be secured hereby and shall become a part of the Secured Obligations and shall be paid to such Secured Party by Grantor, immediately upon demand, together with interest thereon at the rate(s) provided for under the Credit Agreement.

17. Statute of Limitations and Other Laws. Until the Secured Obligations shall have been paid and performed in full and no commitment to extend credit to Grantor under the Credit Agreement remains outstanding from any Lender or any L/C Issuer, the power of sale and all other rights, privileges, powers and remedies granted to Administrative Agent, for the benefit of the Secured Parties, hereunder shall continue to exist and may be exercised by Administrative Agent, for the benefit of the Secured Parties, at any time and from time to time irrespective of the fact that any of the Secured Obligations may have become barred by any statute of limitations. Grantor expressly waives the benefit of any and all statutes of limitation and any and all Laws providing for exemption of property from execution or for valuation and appraisal upon foreclosure, to the maximum extent permitted by applicable Law.

18. Other Agreements. Nothing herein shall in any way modify or limit the effect of terms or conditions set forth in any other security or other agreement executed by Grantor or in connection with the Secured Obligations, but each and every term and condition hereof shall be in addition thereto. All provisions contained in the Credit Agreement that apply to Loan Documents generally are fully applicable to this Agreement and are incorporated herein by this reference as though set forth herein in full.

19. Understandings with Respect to Waivers and Consents. Grantor warrants and agrees that each of the waivers and consents set forth herein is made after consultation with legal counsel and with full knowledge of its significance and consequences, with the understanding that events giving rise to any defense or right waived may diminish, destroy or otherwise adversely affect rights which Grantor otherwise may have against any Secured Party or others, or against Collateral, and that, under the circumstances, the waivers and consents herein given are reasonable and not contrary to public policy or Law. If any of the waivers or consents herein are determined to be contrary to any applicable Law or public policy, such waivers and consents shall be effective to the maximum extent permitted by Law.

20. Continuing Effect. This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against Grantor for liquidation or reorganization, should Grantor become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Secured Obligations, or any part thereof, is, pursuant to applicable Law, rescinded or reduced in amount, or must otherwise be restored or returned by any Secured Party, whether as a "voidable preference," "fraudulent conveyance," or otherwise (and whether by litigation, settlement, demand or otherwise), all as though such payment or performance had not been made. In the event that any payment or any part thereof is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

21. Covenant Not to Issue Securities. Grantor represents and warrants to the Secured Parties that all of its Equity Interests in the Issuers that are limited liability companies are not "Securities" (as contemplated by Article 8 of the UCC), and covenants to the Secured Parties that, without the prior written consent of Administrative Agent, for the benefit of the Secured Parties, it shall not (a) cause any Issuer that is a limited liability company, whether now or hereafter existing, to issue any Equity Interests in the form of "Securities" (as contemplated by Article 8 of the UCC) or (b) seek to convert all or any part of its Equity Interests in any Issuer that is a limited liability company, whether now or hereafter existing, into "Securities" (as contemplated by Article 8 of the UCC). The foregoing representations, warranties and covenants shall survive the execution and delivery of this Agreement.

22. Covenant Not to Dilute Interests of Secured Party in Pledged Securities. Grantor represents, warrants and covenants to the Secured Parties that, without the consent of Administrative Agent, for the benefit of the Secured Parties, it will not at any time cause or permit (if Grantor Controls the Issuer) any Issuer to issue any additional Equity Interests, or any warrants, options or other rights to acquire any additional Equity Interests, if the effect thereof would be to dilute in any way the interests of the Secured Parties in any Pledged Securities or in any Issuer.

23. Release of Grantor. This Agreement and all obligations of Grantor hereunder shall be released upon full and indefeasible payment and performance of all the Secured Obligations and termination of all the Commitments. At such time, Administrative Agent shall return any Pledged Collateral to Grantor, or to the Person or Persons legally entitled thereto, and shall endorse, execute, deliver, record and file all instruments and documents, and do all other acts and things, reasonably required for the return of the Collateral to Grantor, or to the Person or Persons legally entitled thereto, and to evidence or document the release of Administrative Agent's interests arising under this Agreement, all as reasonably requested by, and at the sole expense of, Grantor.

24. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging means (e.g., "pdf" or "tif") shall be effective as delivery of a manually executed counterpart of this Agreement.

25. Additional Powers and Authorization. The Administrative Agent has been appointed as the Administrative Agent hereunder pursuant to the Credit Agreement and shall be entitled to the benefits of the Credit Agreement and the other Loan Documents. Notwithstanding anything contained herein to the contrary, the Administrative Agent may employ agents, trustees, or attorneys-in-fact and may vest any of them with any property (including, without limitation, any Collateral pledged hereunder), title, right or power deemed necessary for the purposes of such appointment.

26. GOVERNING LAW; JURISDICTION; ETC. Sections 10. 14, 10.15 and 10.16 of the Credit Agreement are fully applicable to this Agreement and are hereby incorporated herein by this reference as though set forth herein in full.

27. Notices Generally.
