WHEREAS, the Grantor is party to that certain Amended and Restated Bloomberg Finance L.P. Private Note Purchase Agreement, dated as of October 30, 2012 (as amended, restated, supplemented or otherwise modified from time to time, the “Note Purchase Agreement”), among Bloomberg Finance L.P., a Delaware limited partnership, the Guarantors party thereto, the Conduit Purchasers from time to time party thereto, the Committed Purchasers from time to time party thereto, the Managing Agents from time to time party thereto and the Grantee;

WHEREAS, the Grantor, certain affiliates thereof and the Grantee have entered into that certain Amended and Restated Master Security Agreement, dated as of October 30, 2012 (as amended, restated, supplemented or otherwise modified from time to time, the “Master Security Agreement”);

WHEREAS, the Grantor owns the trademarks (the “Trademarks”) listed on Exhibit A attached hereto, which Trademarks are pending or registered with the United States Patent and Trademark Office; and

WHEREAS, this Confirmatory Grant has been granted in conjunction with the security interest granted to the Grantee under the Master Security Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Master Security Agreement and the other Transaction Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Confirmatory Grant are deemed to conflict with the Master Security Agreement, the provisions of the Master Security Agreement shall govern.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1. Definitions. All capitalized terms not defined herein shall have the respective meaning given to them in the Master Security Agreement or incorporated therein by reference.

Upon the occurrence of the Collection Date, the Grantee shall promptly execute, acknowledge, and deliver to the Grantor all reasonably requested instruments in writing releasing the security interest in the Trademarks acquired under this Confirmatory

Grant. Notwithstanding anything contained herein to the contrary, in no event shall Trademarks include Excluded Collateral such as any application for registration of a Trademark filed with the United States Patent and Trademark Office on an intent-to-use basis until such time (if any) as a Statement of Use or Amendment to Allege Use is filed, at which time such Trademark shall automatically cease to be Excluded Collateral and shall be subject to the security interest granted hereunder.

(b) The Grantor hereby grants to the Grantee a security interest in (1) all of the Grantor's right, title and interest in and to the Trademarks set forth in Exhibit A now owned or from time to time after the date hereof owned or acquired by the Grantor, together with (2) all proceeds and products of the Trademarks, (3) the goodwill associated with such Trademarks, and (4) all causes of action arising prior to or after the date hereof for infringement of the Trademarks or unfair competition regarding the same.

3. Termination. The Grantor and the Grantee hereby acknowledge and agree that the security interest in the Trademarks may be terminated only in accordance with the Transaction Documents.

4. Choice of Law. This Confirmatory Grant shall be governed by and construed in accordance with the laws of the State of New York.

5. Counterparts. This Confirmatory Grant may be signed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
