CONFIRMATORY ASSIGNMENT OF SECURITY INTEREST

THIS ASSIGNMENT OF SECURITY INTEREST (this "Assignment") is made as of November 14, 2012 ("Effective Date") by Regions Bank, an Alabama corporation, having an office at Corporate Trust, 7th Floor, 400 West Capitol, Little Rock, AR 72201 ("Assignor").

WHEREAS, pursuant to the terms and conditions of that certain Patent and Trademark Security Agreement dated as of October 1, 2003 (the "Security Agreement"), Advanced Environmental Recycling Technologies, Inc. a Delaware Corporation, having an address at 801 North Jefferson, Springdale, AR 72764 ("Grantor") granted a security interest in and to the Collateral (as that term is defined in the Security Agreement), including, without limitation, the patents and trademarks set forth on Exhibit A, to the Assignor (collectively, the "Assignment Collateral");

WHEREAS, the Security Agreement was recorded with the United States Patent and Trademark Office, with respect to the trademarks set forth on Exhibit A, at Reel No. 002994 and Frame No. 0431 and given a recordation date of October 31, 2003, and with respect to the patents set forth on Exhibit A, at Reel No. 014634 and Frame No. 0228 and given a recordation date of October 31, 2003;

WHEREAS, Bank of Oklahoma, N.A. having an office at 9520 N. May Avenue, 2nd Floor, Oklahoma City, OK 73120 ("Assignee") has replaced Assignor as trustee on Grantor's 2003 bond issue and Assignor assigned all of its rights in and to the Assignment Collateral to Assignee pursuant to that transaction.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor hereby covenants and agrees as follows:

1. Assignor hereby confirms that Assignor has irrevocably and unconditionally conveyed and assigned to Assignee all of its right, title, and interest in and to the Assignment Collateral, including, without limitation, the security interests and liens granted by Grantor to Assignor pursuant to the Security Agreement, to Assignee effective as of the Assignee's replacement of Assignor as trustee on Grantor's 2003 bond issue. Notwithstanding the foregoing, to the extent such prior assignment is deemed ineffective for any reason, Assignor hereby irrevocably and unconditionally grants, assigns and conveys all of Assignor's right, title and interest in and to the Assignment Collateral, including, without limitation, the security interests and liens granted by Grantor to Assignor pursuant to the Security Agreement, to Assignee effective as of the Assignee's replacement of Assignor as trustee on Grantor's 2003 bond issue.

2. Assignor hereby agrees to execute, acknowledge and deliver to Assignee all such further instruments and to take all such further actions as may be reasonably requested or are required in order to more fully and effectively carry out the purposes of this Assignment.

IN WITNESS WHEREOF, Regions Bank has caused this Assignment to be executed by its duly authorized representative as of the Effective Date.
