## **2. GRANT OF SECURITY INTEREST.**

**2.1. Security Interest.** As collateral security for the payment and performance in full of all of the Secured Obligations, each Grantor hereby unconditionally grants and pledges a continuing security interest in, and first priority lien on, the Pledged Trademarks, and pledges and mortgages (but does not transfer title to) the Pledged Trademarks to the Administrative Agent for the benefit of the Secured Parties.

**2.2. Excluded Trademark Collateral.** (a) The grant of the security interest contained in Section 2.1, shall not extend to, and the term "Pledged Trademarks" shall not include, any general intangibles, now or hereafter held or owned by any Grantor, to the extent, in each case, that (i) a security interest may not be granted by such Grantor in such general intangibles as a matter of law, or under the terms of the governing document applicable thereto, without the consent of one or more applicable parties thereto and (ii) such consent has not been obtained.

(b) The grant of the security interest contained in Section 2.1 shall extend to, and the term "Pledged Trademarks" shall include, (i) any and all proceeds of such general intangibles to the extent that such proceeds are not themselves general intangibles subject to Section 2.2(a) and (ii) upon any such applicable party or parties' consent with respect to any otherwise excluded general intangibles being obtained, thereafter such general intangibles.

(c) The provisions of Section 2.2(a) shall not apply to (i) general intangibles to the extent that the restriction on the Grantor granting a security interest therein is not effective under applicable law or (ii) payment intangibles.

**2.3. Supplemental to Security Agreement.** Pursuant to the Security Agreement each Grantor has granted to the Administrative Agent, for the benefit of the Secured Parties, a security interest in, and lien on, the Collateral (including the Pledged Trademarks). The Security Agreement, and all rights and interests of the Administrative Agent in and to the Collateral (including the Pledged Trademarks) thereunder, are hereby ratified and confirmed in all respects. In no event shall this Trademark Security Agreement, the grant of the Pledged Trademarks hereunder, or the recordation of this Trademark Security Agreement (or any document hereunder) with the PTO, adversely affect or impair, in any way or to any extent, the Security Agreement, the security interest of the Administrative Agent in the Collateral (including the Pledged Trademarks) pursuant to the Security Agreement and this Trademark Security Agreement, the attachment and perfection of such security interest under the UCC (including the security interest in the Pledged Trademarks), or any present or future rights and interests of the Administrative Agent in and to the Collateral under or in connection with the Security Agreement, this Trademark Security Agreement or the UCC. Any and all rights and interests of the Administrative Agent in and to the Pledged Trademarks (and any and all obligations of each Grantor with respect to the Pledged Trademarks) provided herein, or arising hereunder or in connection herewith, shall only supplement, and be cumulative and in addition to, the rights and interests of the Administrative Agent (and the obligations

of each Grantor) in, to or with respect to the Collateral (including the Pledged Trademarks) provided in, or arising under, or in connection with, the Security Agreement and shall not be in derogation thereof.

### **3. REPRESENTATIONS, WARRANTIES AND COVENANTS.**

Each Grantor represents, warrants and covenants that: (i) Schedule A attached hereto sets forth a true and complete list of all Trademark Registrations now owned, licensed, controlled or used by such Grantor; (ii) the Trademarks and Trademark Registrations are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and there is no litigation or proceeding pending concerning the validity or enforceability of the Trademarks or Trademark Registrations; (iii) to the best of such Grantor's knowledge, each of the Trademarks and Trademark Registrations is valid and enforceable; (iv) to the best of such Grantor's knowledge, there is no infringement by others of the Trademarks, Trademark Registrations or Trademark Rights; (v) no claim has been made that the use of any of the Trademarks does or may violate the rights of any third person, and to the best of such Grantor's knowledge, there is no infringement by such Grantor of the trademark rights of others; (vi) such Grantor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks (other than ownership and other rights reserved by third party owners with respect to Trademarks that such Grantor is licensed to use), free and clear of any liens, charges, encumbrances and adverse claims, including pledges, assignments, licenses, registered user agreements and covenants by such Grantor not to sue third persons, other than the security interest and assignment created by the Security Agreement and this Trademark Security Agreement and as otherwise permitted under the Credit Agreement; (vii) such Grantor has the unqualified right to enter into this Trademark Security Agreement and to perform its terms and will use commercially reasonable efforts to enter into any written agreement with each of its present and future employees, agents, consultants, licensors and licensees as are necessary to enable such Grantor to comply with the covenants herein contained; (viii) such Grantor has used, and will continue to use, proper statutory and other appropriate proprietary notices in connection with its use of the Trademarks; (ix) such Grantor has used, and will continue to use for the duration of this Trademark Security Agreement, consistent standards of quality in its manufacture and provision of products and services sold or provided under the Trademarks; (x) this Trademark Security Agreement, together with the Security Agreement, will create in favor of the Administrative Agent, for the benefit of the Secured Parties, a valid and perfected first priority security interest in the Pledged Trademarks set forth on Schedule A hereto upon making the filings referred to in clause (xi) of this Section 3; and (xi) with respect to the Pledged Trademarks set forth on Schedule A hereto, except for the filing of financing statements with the Secretary of States for the State of Connecticut, the State of Delaware, the State of Oklahoma, the State of California and the State of Florida under the UCC and the recording of this Trademark Security Agreement with the PTO, no authorization, approval or other action by, and no notice to or filing with, any governmental or regulatory authority, agency or office is required either (A) for the grant by such Grantor or the effectiveness of the security interest granted hereby or for the execution, delivery and performance of this Trademark Security Agreement by such Grantor, or (B) for the perfection of the liens and security interests granted hereby, or the exercise by the Administrative Agent of any of its rights and remedies hereunder.

### **4. INSPECTION RIGHTS.**

Each Grantor hereby grants the Administrative Agent or any of its officers or assignees to visit and inspect such Grantor's properties that manufacture, inspect or store products sold under any of the Trademarks and to inspect the products and quality control records relating thereto, all at such reasonable times, upon reasonable notice, in a reasonable manner and as often as the Administrative Agent may reasonably request; provided, however, that when an Event of Default exists the Administrative Agent (or any its respective representatives or independent contractors) may do any of the foregoing at the expense of such Grantor at any time during normal business hours and without advance notice; provided, further,

however, that any such visit, inspection or examination, whether during the existence of an Event of Default or otherwise shall be subject to compliance with all applicable security regulations and requirements of any governmental authority and such Grantor's reasonable policies and practices applicable to safeguarding its trade secrets and proprietary products and practices. Each Grantor agrees with the Administrative Agent that such policies and practices may restrict access by the Administrative Agent to certain areas of certain facilities of each Grantor, but that such policies and practices shall not restrict in any material respect access by the Administrative Agent to personnel of such Grantor.

## **5. NO TRANSFER OR INCONSISTENT AGREEMENTS.**

Without the Administrative Agent's prior written consent and except for licenses of the Pledged Trademarks in the ordinary course of any Grantor's business consistent with its past practices, or as otherwise permitted by the Credit Agreement, no Grantor will (i) mortgage, pledge, assign, encumber, grant a security interest in or lien on, transfer, license or alienate any of the Pledged Trademarks, or (ii) enter into any agreement (for example, a license agreement) that is inconsistent with such Grantor's obligations under this Trademark Security Agreement or the Security Agreement.

## **6. AFTER-ACQUIRED TRADEMARKS, ETC.**

**6.1. After-acquired Trademarks.** If, before the Secured Obligations shall have been indefeasibly and finally paid and satisfied in full in cash or if there shall exist any commitment or obligation of the Secured Parties under any Loan Document (as defined in the Credit Agreement), any Grantor shall obtain any right, title or interest in or to any other or new Trademarks, Trademark Registrations or Trademark Rights, then to the extent such Trademarks, Trademark Registrations or Trademark Rights constitute Pledged Trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto and such Grantor shall promptly provide to the Administrative Agent notice thereof in writing and execute and deliver to the Administrative Agent such documents or instruments as the Administrative Agent may reasonably request further to implement, preserve or evidence the Administrative Agent's interest therein.

**6.2. Amendment to Schedule.** Each Grantor authorizes the Administrative Agent to modify this Trademark Security Agreement, without the necessity of any Grantor's further approval or signature, by amending Schedule A hereto to include any future or other Trademarks, Trademark Registrations or Trademark Rights under Section 2 or Section 6, to the extent such Trademarks, Trademark Registrations or Trademark Rights constitute Pledged Trademarks.

## **7. TRADEMARK PROSECUTION.**

**7.1. Grantors Responsible.** Each Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with the Pledged Trademarks, and shall hold each of the Administrative Agent and any other Secured Party harmless from any and all costs, damages, liabilities and expenses that may be incurred by the Administrative Agent or any other Secured Party in connection with the Administrative Agent's interest in the Pledged Trademarks or any other action or failure to act in connection with this Trademark Security Agreement or the transactions contemplated hereby.

**7.2. Grantors' Duties, etc.** Each Grantor shall have the right and the duty to prosecute diligently any trademark applications of the Trademarks pending as of the date of this Trademark Security Agreement or thereafter, to preserve and maintain all rights in the Trademarks and Trademark Registrations, including the filing of appropriate renewal applications and other instruments to maintain in effect the Trademark Registrations and the payment when due of all registration renewal fees and other

fees, taxes and other expenses that shall be incurred or that shall accrue with respect to any of the Trademarks or Trademark Registrations, in each case, in a commercially reasonable manner to the extent that such Grantor, in the exercise of its reasonable business judgment based upon the circumstances then existing, deems warranted. No Grantor may abandon any filed trademark registration application, or any Trademark Registration or Trademark unless such abandonment is in a commercially reasonable manner consistent with such Grantor's reasonable business judgment based upon the circumstances then existing. Any expenses incurred in connection with such applications and actions shall be borne by the Grantors.

**7.3. Grantors' Enforcement Rights.** Each Grantor shall have the right and the duty to bring suit or other action in such Grantor's own name to maintain and enforce the Trademarks, the Trademark Registrations and the Trademark Rights, in each case, in a commercially reasonable manner to the extent that such Grantor, in the exercise of its reasonable business judgment based upon the circumstances then existing, deems warranted. The Administrative Agent may join in such suit or action to assure such Grantor's ability to bring and maintain any such suit or action in any proper forum if (but only if) the Administrative Agent is completely satisfied that such joinder will not subject the Administrative Agent or any other Secured Party to any risk of liability. Each Grantor shall promptly, upon demand, reimburse and indemnify the Administrative Agent for all damages, costs and expenses, including legal fees, incurred by the Administrative Agent pursuant to this Section 7.3.

**7.4. Protection of Trademarks, etc.** In general, each Grantor shall take any and all such actions (including institution and maintenance of suits, proceedings or actions) as may be necessary or appropriate to properly maintain, protect, preserve, care for and enforce the Pledged Trademarks in a commercially reasonable manner to the extent that such Grantor, in the exercise of its reasonable business judgment based upon the circumstances then existing, deems warranted. Subject to Section 7.2, no Grantor shall take or fail to take any action, nor permit any action to be taken or not taken by others under its control, that would adversely affect the validity, grant or enforcement of the Pledged Trademarks.

**7.5. Notification by Grantors.** Promptly upon obtaining knowledge thereof, the Grantors will notify the Administrative Agent in writing of the institution of, or any final adverse determination in, any proceeding in the PTO or any similar office or agency of the United States or any foreign country, or any court, regarding the validity of any material portion of the Trademarks or Trademark Registrations or any Grantor's rights, title or interests in and to any material portion of the Pledged Trademarks, and of any event that does or reasonably could materially adversely affect the value of any material portion of the Pledged Trademarks, the ability of any Grantor or the Administrative Agent to dispose of any material portion of the Pledged Trademarks or the rights and remedies of the Administrative Agent in relation thereto (including but not limited to the levy of any legal process against any of the Pledged Trademarks).

## **8. REMEDIES.**
