**DECLARATION OF SUSAN DEESE**

I, Susan Deese, hereby declare as follows.

1.

I am Senior Vice President and General Counsel of NewPoint Media Group, LLC, a Delaware limited liability company having a principal place of business at 2305 Newpoint Parkway, Lawrenceville, Georgia 30043. I was previously Senior Vice President and General Counsel of Network Communications, Inc., which was located at the same address.

2.

This Declaration is made for the sole purpose of further amending and correcting the United States Patent and Trademark Office records to reflect the date on which NewPoint Media Group, LLC formally assumed ownership of certain trademark and service mark applications including those reflected in Exhibit A hereto (collectively the "Transferred Applications"), which were transferred as part of a transaction pursuant to which the record owner of the Transferred Applications, Network Communications, Inc., spun off NewPoint Media Group, LLC.

3.

On April 11, 2012, as part of that spinoff transaction, Network Communications, Inc. and NewPoint Media Group, LLC entered into an Asset Purchase Agreement, which

contemplated NewPoint Media Group, LLC acquiring from Network Communications, Inc., free and clear of all encumbrances, all of Network Communications, Inc.'s right, title and interest in and to the Transferred Applications, together with the goodwill of the business symbolized by said Transferred Applications.

4.

The spinoff acquisition closed on June 28, 2012 and that is the date on which NewPoint Media Group, LLC formally assumed ownership of the Transferred Applications.

5.

The undersigned being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment or both under 18 U.S.C. § 1001, and that such willful false statements may jeopardize the validity of the Transferred Applications, declares that she is properly authorized to execute this Declaration on behalf of NewPoint Media Group, LLC; and all statements made on her knowledge are true and all statements made on information and belief are believed to be true.

Dated this 22<sup>th</sup> day of November, 2012.

  
Susan Deese
