RECITALS

A. CoreTrace has used the marks listed on the attached SCHEDULE A (the "Assigned Marks") in connection with computer software, computer services, and the hosting of digital content on the Internet and has sought registration with the United States Patent and Trademark Office ("USPTO") for the marks used in connection with the goods and services described in the registrations and pending applications.

B. Lumension has acquired from CoreTrace assets that include the business identified by the Assigned Marks.

C. CoreTrace desires to assign and transfer to Lumension all of CoreTrace's right, title and interest in and to the Assigned Marks, together with the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged as satisfactory and adequate, the parties agree as follows:

Section 1. Assignment. CoreTrace, for itself and any predecessors in title, hereby conveys, transfers, assigns, delivers, and contributes to Lumension: any and all of CoreTrace's right, title and interest in and to the Assigned Marks, including common law rights, together with the goodwill of the business symbolized by said Assigned Marks, and applications and registrations thereof, any renewal rights therein, and the exclusive right to enforce the Assigned Marks in the United States and throughout the world in the sole name of Lumension, its successors and assigns; the aforesaid transferred rights, title and interests to be held and enjoyed by Lumension, its successors, legal representatives and assigns as fully and entirely as the same would have been held and enjoyed by CoreTrace had this assignment not been made.

Section 2. Miscellaneous. (a) CoreTrace agrees that it will, upon Lumension's request, promptly execute, acknowledge or deliver all such other and further acts, assignments, transfers, assurances and instruments and other documents as may be necessary or desirable to perfect and record Lumension's title in, to and under the Assigned Marks. CoreTrace covenants that it shall not hereafter register or attempt to register or cooperate in any registration of or attempt to register, with any governmental or regulatory body or any domain name registrar anywhere in the world, or use or participate in the use of, any trademarks, service marks, domain names, or trade names or any other designation containing or comprising the Assigned Marks, or anything that may be confusingly similar to the Assigned Marks, whether alone or in combination with any other term(s), word(s), mark(s), name(s), symbol(s), designation(s), device(s) and/or design(s). CoreTrace covenants that it shall not contest, either directly or indirectly, the exclusive right, title, and interest of Lumension in and to any part of the Assigned

Marks or any trademark rights arising from the use thereof, including Lumension's right to register, maintain and/or renew the Assigned Marks or any variation thereof.

(b) In furtherance of this Agreement, CoreTrace acknowledges that, from this date forward, Lumension has succeeded to any and all of CoreTrace's right, title, and standing to: (i) receive all rights and benefits pertaining to the Assigned Marks; (ii) institute and prosecute all suits and proceedings and take all actions that Lumension, in its sole discretion, may deem necessary or proper to collect, assert, or enforce any claim, right, or title of any kind in and to the Assigned Marks; and (iii) defend and compromise any and all such actions, suits, or proceedings relating to such transferred and assigned rights, title, interest, and benefits, and do all other such acts and things in relation thereto as Lumension, in its sole discretion, deems advisable.

(c) This Agreement shall inure to the benefit of, and be binding upon, the parties hereto together with their respective legal representatives, successors, and assigns.

IN WITNESS WHEREOF, the Parties hereto, intending to be legally bound thereby, have executed this Agreement by their duly respective officers as of the date indicated above.
