Re: IP Lien Authorization

We refer to the Term Loan (the "Loan Facility") under that certain Amended and Restated Loan and Security Agreement dated as of October 28, 2007 (as the same may from time to time have been amended, restated, or otherwise modified, the "Loan Agreement") by and between Cardiac Science Corporation, a Delaware corporation ("Borrower"), and Silicon Valley Bank ("Bank").

Bank authorizes Borrower, or any other party on behalf of Borrower, to file any UCC-3 Termination Statements or other documents necessary to evidence the release of Bank's security interests in any of Borrower's property or assets. Bank agrees to procure, deliver, or execute and deliver to Borrower, from time to time, all further releases, termination statements, certificates, instruments, and documents, each in form and substance satisfactory to Borrower, and take any other actions, as may be reasonably requested by Borrower or which are required to evidence the release of Bank's security interests in any of Borrower's property or assets, in each case at the expense of Borrower (including all reasonable attorneys' fees and expenses).

Very truly yours,

SILICON VALLEY BANK
