**GRANT OF SECOND LIEN
SECURITY INTEREST IN TRADEMARK RIGHTS**

This GRANT OF SECOND LIEN SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of _____, 2012 is made by INTERWEAVE PRESS, LLC, a Delaware limited liability company (the "Additional Grantor"), in favor of THE BANK OF NEW YORK MELLON, as Administrative Agent (the "Agent") for the several banks and other financial institutions (the "Purchasers"), parties to the Note Purchase Agreement referred to below.

WITNESSETH:

WHEREAS, New Publishing Holdings, Inc. ("Holdings"), F+W Media, Inc. (the "Issuer"), the Purchasers, and the Agent have entered into a Note Purchase Agreement, dated as of June 9, 2010 (as amended, supplemented or otherwise modified from time to time, the "Note Purchase Agreement");

WHEREAS, in connection with the Note Purchase Agreement, Holdings, the Issuer and certain of its Affiliates (other than the Additional Grantor) have entered into the Second Lien Guarantee and Collateral Agreement, dated as of June 9, 2010 (as amended, supplemented or otherwise modified from time to time, the "Second Lien Guarantee and Collateral Agreement"), in favor of the Agent for the benefit of the Purchasers;

WHEREAS, Section 4.10(c) of the Note Purchase Agreement requires the Additional Grantor to become a party to the Second Lien Guarantee and Collateral Agreement and, accordingly, the Additional Grantor has become a party to the Second Lien Guarantee and Collateral Agreement by executing and delivering an Assumption Agreement dated as of _____, 2012 (the "Assumption Agreement");

WHEREAS, pursuant to the Assumption Agreement, the Additional Grantor pledged and granted to the Agent for the benefit of the Agent and the Purchasers a continuing security interest in all Intellectual Property, including the Trademarks; and

WHEREAS, the Additional Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Purchasers to make Loans and other financial accommodations to the Issuer pursuant to the Note Purchase Agreement, the Additional Grantor agrees, for the benefit of the Agent and the Purchasers, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Note Purchase Agreement and the Second Lien Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest. The Additional Grantor hereby grants a continuing security interest in all of the Additional Grantor's right, title and interest in, to and

under the Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Trademark Collateral"), to the Agent for the benefit of the Agent and the Purchasers to secure the prompt and complete payment and performance when due of the Obligations. Notwithstanding the foregoing, applications in the United States Patent and Trademark Office to register trademarks or service marks on the basis of any Grantor's "intent to use" such trademarks or service marks will not be deemed to be Trademark Collateral unless and until a "Statement of Use" or "Amendment to Allege Use" has been filed and accepted in the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Trademark Collateral.

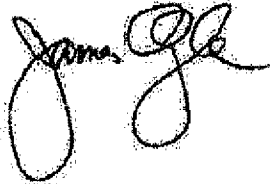

SECTION 3. Purpose. This Agreement has been executed and delivered by the Additional Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Purchasers in connection with the Assumption Agreement and the Second Lien Guarantee and Collateral Agreement and is expressly subject to the terms and conditions thereof. The Assumption Agreement and the Second Lien Guarantee and Collateral Agreement (and all rights and remedies of the Purchasers thereunder) shall remain in full force and effect in accordance with their terms.

SECTION 4. Acknowledgment. The Additional Grantor does hereby further acknowledge and affirm that the rights and remedies of the Purchasers with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Note Purchase Agreement and the Second Lien Guarantee and Collateral Agreement. In the event of any conflict between the terms of this Agreement and the terms of the Second Lien Guarantee and Collateral Agreement, the terms of the Second Lien Guarantee and Collateral Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
