8. Schedule 1 – Actives and Licence Agreements	7
9. Schedule 2 – Trade Marks	8

THIS DEED is made on the day of 1 October 2011.

1. **Glaxo Group Limited**, a company incorporated in England and Wales (registered number 00305979), whose registered office is at Glaxo Wellcome House, Berkeley Avenue, Greenford, Middlesex, UB6 0NN (the "**Assignor**"); and
2. **GlaxoSmithKline Intellectual Property Management Limited**, a company incorporated in England and Wales (registered number 7739397), whose registered office is at 980 Great West Road, Brentford, Middlesex, TW8 9GS (the "**Assignee**").

WHEREAS:

- (A) The Assignor is a party to various licence agreements with **Glaxo Wellcome Manufacturing Pte Ltd** a company incorporated in Singapore, whose registered office is at 1 Pioneer Street Sector 1, Jurong, Singapore 628413 ("**GWM**"), listed in column 2 of Schedule 1 as the same may have been subsequently amended by agreement of the Assignor and GWM (the "**Licence Agreements**").
- (B) The Assignee is a wholly owned subsidiary of the Assignor.
- (C) The Assignor has agreed to assign the Licence Agreements to the Assignee.
- (D) The Assignee has agreed to undertake to comply with the Assignor's obligations in relation to the Licence Agreements.
- (E) The Assignor has also agreed to assign the Brand Intellectual Property to the Assignee.
- (F) The Assignor and the Assignee also wish to record in this Deed their mutual agreement and understanding from the date of this Deed in respect of any patents and know-how referred to in the Licence Agreements (or otherwise the subject of the Licence Agreements) owned by the Assignor.

THIS DEED PROVIDES as follows:

1. Interpretation

- 1.1. Any references to a "**party**" means a party to this Deed and "**parties**" means both of them.
- 1.2. "**Actives**" means the active ingredients listed in column 1 of Schedule 1.
- 1.3. "**Brand Intellectual Property**" means copyright, design rights, trade marks (including without limitation the Trade Marks), trade names, and all other similar intellectual and industrial property or analogous rights existing anywhere in the world and under the laws of any country (whether or not registered, whether present, future or contingent, and including without limitation all renewals, extensions, revivals and accrued rights of action) and all pending applications for and right to apply for or register the same all of which is limited to rights covering the Actives (except the rights with respect to lamivudine in USA and Canada are excluded) and for the avoidance of doubt all rights for actives or products other than the Actives are excluded.
- 1.4. "**Contracts**" means all contracts, licences, and other commitments relating to the Brand Intellectual Property (other than (i) the Licence Agreements, and (ii) any other contracts specifically identified in writing between the Assignor and the Assignee at the date of this Deed) which have been entered into or undertaken for on behalf of the Assignor.

- 1.5. **"Deliverables"** means the complete set of documents of the Assignor embodying or relating directly to the Brand Intellectual Property and the Contracts.
- 1.6. **"Trade Marks"** means the trade mark applications and registrations listed in Schedule 2.
- 1.7. All headings and titles are inserted for convenience only. They are to be ignored in the interpretation of this Deed. References to a Schedule are to a Schedule to this Deed.

2. Assignment

- 2.1. The Assignor hereby assigns all its rights, title and interest in the Licence Agreements to the Assignee.
- 2.2. The Assignee hereby undertakes to perform, and agrees to perform, all the Assignor's obligations in respect of the Licence Agreement with effect from the date of the Deed.
- 2.3. The Assignor hereby assigns with full title guarantee to the Assignee absolutely and irrevocably:
 - (A) all of its rights, title and interest in and to the Brand Intellectual Property including all statutory and common law rights attaching to such Brand Intellectual Property and all the rights, powers, liberties and immunities attaching to the Brand Intellectual Property, free from all liens, charges and encumbrances;
 - (B) the right to sue for and to recover damages and other remedies in respect of any infringement of the Brand Intellectual Property which may have occurred before the date of this Deed;
 - (C) the goodwill attaching to the Brand Intellectual Property; and
 - (D) the benefit subject to the burden of all Contracts (so far as the same can lawfully be assigned or transferred to or held in trust for the Assignee).

3. Declaration of Trust

- 3.1. In respect of any patents and know-how referred to in the Licence Agreements (or otherwise the subject of the Licence Agreements) owned by the Assignor or to which it may be entitled pursuant to the Licence Agreements, the beneficial ownership of such patents and know-how is from the date of this Deed assigned to the Assignee in furtherance of the Assignment of the Licence Agreements pursuant to this Deed.
- 3.2. In respect of any patents, trademarks and know-how referred to in Clause 2 or Clause 3.1 that remain registered in the name of the Assignor after the date of this Deed notwithstanding the terms of Clause 2 or Clause 3.1 the Assignor declares that from the date of this Deed it holds the same on trust for the Assignee and that the Assignor has no beneficial interest in them. The Assignor further undertakes to:
 - (A) account promptly to the Assignee for all income and other benefits received in respect of all such patents, trademarks and know-how;
 - (B) exercise as the Assignee may from time to time direct all rights and powers vested in it as registered owner thereof;

- (C) transfer, licence, or otherwise deal with, all such patents, trademarks and know-how as the Assignee directs; and
- (D) to execute all such documents and do all such acts in respect of all such patents, trademarks and know-how as the Assignee thinks fit.

4. Indemnity

- 4.1. The Assignee hereby indemnifies and shall keep indemnified the Assignor against any loss, cost (including any cost of enforcement), liability (including any tax liability), claim or damage (including any loss of profit or indirect or consequential loss, whether actual or prospective) ("**Losses**") that the Assignor suffers or incurs under or in connection with the Brand Intellectual Property or the Licence Agreements or after the date of this Deed as a result of the Assignee's failure to perform or satisfy the obligations it assumes under this Deed, except to the extent that such Losses arise as a result of the Assignor's failure to perform or satisfy the obligations under the Licence Agreements before that date.
- 4.2. The Assignee shall provide all reasonable assistance to enable the Assignor to resist any claim, action or proceedings brought against the Assignor under or in connection with the Brand Intellectual Property or the Licence Agreements after the date of this Deed.

5. Deliverables and Further Assurance

- 5.1. The Assignor shall deliver and make available to the Assignee all the Deliverables upon the date of execution and delivery of this Deed or as soon as practicable thereafter.
- 5.2. Each party shall, at its own cost, from time to time on request do or procure the doing of all acts and things and execute or procure the execution of all documents in a form satisfactory to the other party which any other party may reasonably consider necessary for giving full effect to this Deed and securing to such other party the full benefit of the rights, powers and remedies conferred upon such party by this Deed.

6. Counterparts

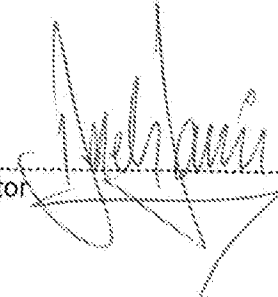

- 6.1. This Deed may be executed in any number of counterparts, and by the parties on separate counterparts, but shall not be effective until each party has executed at least one counterpart.
- 6.2. Each counterpart shall constitute an original of this Deed, but all the counterparts shall together constitute but one and the same instrument.

7. Governing Law and Jurisdiction

- 7.1. This Deed is to be governed by and construed in accordance with English law. Any matter, claim or dispute arising out of or in connection with this Deed whether contractual or non-contractual, is to be governed by and determined in accordance with English law.
- 7.2. The parties irrevocably submit to and agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this Deed of its subject matter or formation (including non-contractual disputes or claims).

This document has been executed as a deed and is delivered on the [1 October] 2011.
