WHEREAS, pursuant to the Guaranty and Security Agreement, Grantors are required to execute and deliver to Agent, for the benefit of Lender Group and the Bank Product Providers, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Guaranty and Security Agreement or, if not defined therein, in the Credit Agreement, and this Trademark Security Agreement shall be subject to the rules of construction set forth in Section 1(b) of the Guaranty and Security Agreement, which rules of construction are incorporated herein by this reference, *mutatis mutandis*.

1. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby unconditionally grants, assigns, and pledges to Agent, for the benefit each member of the Lender Group and each of the Bank Product Providers, to secure the Secured Obligations, a continuing security

interest (referred to in this Trademark Security Agreement as the “Security Interest”) in all of such Grantor’s right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the “Trademark Collateral”):

(a) all of its Trademarks and Trademark Intellectual Property Licenses to which it is a party including those referred to on Schedule I;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(c) all products and proceeds (as that term is defined in the Code) of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any Intellectual Property License, including right to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive license fees, royalties, and other compensation under any Trademark Intellectual Property License.

2. SECURITY FOR SECURED OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Agent, the other members of the Lender Group, the Bank Product Providers or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

3. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Agent, for the benefit of the Lender Group and the Bank Product Providers, pursuant to the Guaranty and Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Guaranty and Security Agreement, the Guaranty and Security Agreement shall control.

4. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors shall give prompt notice in writing to Agent with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting Grantors’ obligations under this Section, Grantors hereby authorize Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of each Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent’s continuing security interest in all Collateral, whether or not listed on Schedule I.

5. COUNTERPARTS. This Trademark Security Agreement is a Loan Document. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile

or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. Any party delivering an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Trademark Security Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Trademark Security Agreement.

6. CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE PROVISION. THIS TRADEMARK SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE SET FORTH IN SECTION 25 OF THE GUARANTY AND SECURITY AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, *MUTATIS MUTANDIS*.

MARK: APPLE & EVE (Standard Characters, mark.jpg)

The literal element of the mark consists of APPLE & EVE.

The mark consists of standard characters, without claim to any particular font, style, size, or color.

We have received your application and assigned serial number '85797039' to your submission. The summary of the application data, *bottom below*, serves as your official filing receipt.

In approximately 3 months, an assigned examining attorney will review your application to determine if all legal requirements are met. Currently, your mark is **not** registered and is considered a "pending" application. The overall process from the time of initial filing to registration or final refusal can take 13-18 months or even longer, depending on many factors; *e.g.*, the correctness of the original filing and the type of application filed. It is **CRITICAL** that you check the status of your application **at least every 3 - 4 months** and promptly contact the Office if a letter (an "Office action") or notice has issued for your application that you did not receive or do not understand. To check the status, please use <http://tarr.uspto.gov>. Do **not** submit status requests to TEAS@uspto.gov. Failure to respond timely to any Office action or notice may result in the abandonment of your application, requiring you to pay an additional fee to have your application revived even if you did not receive the Office action or notice.

Please view all incoming and outgoing correspondence at <http://portal.uspto.gov/external/portal/tow>. If your status check reveals an issued Office action or notice that you did not receive, immediately view the action/notice through the USPTO website. The USPTO does not extend filing deadlines due to a failure to receive USPTO mailings/e-mailings. You must ensure that you update your record if your mail and/or e-mail address changes, using the form available at <http://www.uspto.gov/teas/eTEASpageE.htm>.

If you discover an error in the application data, you may file a Voluntary Amendment, at <http://www.uspto.gov/trademarks/teas/miscellaneous.jsp>. Do **not** submit any proposed amendment to TEAS@uspto.gov, because the technical support team may not make any data changes. **NOTE:** You must wait approximately 7-10 days to submit any Voluntary Amendment, to permit initial upload of your serial number into the USPTO database. The acceptability of any Voluntary Amendment will only be determined once regular examination begins, since the assigned examining attorney must decide whether the change proposed in the amendment is permissible. **Not all errors may be corrected;** *e.g.*, if you submitted the wrong mark, if the proposed correction would be considered a material alteration to your original filing, it will not be accepted, and your only recourse would be to file a new application (with **no** refund for your original filing).

Since your application filing has already been assigned a serial number, please do **not** contact TEAS@uspto.gov to request cancellation. The USPTO will only cancel the filing and refund your fee if upon review we determine that the application did not meet minimum filing requirements. **The fee is a processing fee that the USPTO does not refund, even if your mark does not proceed to registration.** **NOTE:** The only "exception" to the above is if you inadvertently file duplicate applications specifically because of a *technical glitch* and not merely a misunderstanding or mistake; *i.e.*, if you believe that the first filing did not go through because no confirmation was received and then immediately file again, only to discover later that both filings were successful, then the technical support team at TEAS@uspto.gov can mis-assign and refund one of the filings.

WARNING: You may receive unsolicited communications from companies requesting fees for trademark related services, such as monitoring and document filing. Although solicitations from these companies frequently display customer-specific information, including USPTO serial number or registration number and owner name, companies who offer these services are not affiliated or associated with the USPTO or any other federal agency. The USPTO does not provide trademark monitoring or any similar services. For general

information on filing and maintenance requirements for trademark applications and registrations, including fees required by law, please consult the USPTO website.
