GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of November 8, 2012 is made by Northern Tier Energy LLC, a Delaware limited liability company, located at 38C Grove Street, Suite 100, Ridgefield, CT 06877 (the "Obligor"), in favor of Deutsche Bank Trust Company Americas, a New York banking corporation, with an address at 60 Wall Street, 27th Floor, New York, NY 10005, as Collateral Agent (the "Agent") for the Additional Secured Parties.

W I T N E S S E T H:

WHEREAS, pursuant to the Indenture (as it may be amended, supplemented, amended and restated, refinanced in whole or in part or otherwise modified and in effect from time to time, the "Indenture"), dated as of November 8, 2012, among Northern Tier Energy LLC, a Delaware limited liability company (the "Issuer"), Northern Tier Finance Corporation, a Delaware corporation (the "Co-Issuer"), the Subsidiary Guarantors from time to time party thereto and Deutsche Bank Trust Company Americas, as trustee (the "Trustee"), pursuant to which Issuer and Co-Issuer have issued the 7.125% Senior Secured Notes due 2020 (together with the Notes (as defined therein), the "Notes");

WHEREAS, in connection with the Indenture, the Obligor, the Issuer, the Co-Issuer, certain other subsidiaries of the Issuer and the Agent have executed and delivered a Pledge and Security Agreement, dated as of November 8, 2012 (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Pledge and Security Agreement") in order to induce the Holders to purchase the Notes and to secure the Secured Obligations, including with respect to any guarantee pursuant to Article X of the Indenture;

WHEREAS, pursuant to the Collateral Trust and Intercreditor Agreement (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Collateral Trust and Intercreditor Agreement") dated as of December 1, 2010 among the Issuer, the Co-Issuer, certain other subsidiaries of the Issuer, the Agent and the Secured Representatives from time to time party thereto, the Agent has agreed to act as an agent on behalf of the Additional Secured Parties with respect to the Collateral;

WHEREAS, pursuant to the Pledge and Security Agreement, the Obligor pledged and granted to the Agent for the benefit of the Agent and the Additional Secured Parties a continuing security interest in all Intellectual Property, including the Trademarks; and

WHEREAS, the Obligor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Holders to purchase the Notes and to secure the Secured Obligations, the Obligor agrees, for the benefit of the Agent and the Additional Secured Parties, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Indenture and the Pledge and Security Agreement.

SECTION 2. Grant of Security Interest. The Obligor hereby pledges and grants a continuing security interest in, and a right of setoff against, all of the Obligor's right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Collateral"), to the Agent for the benefit of the Agent and the Additional Secured Parties to secure payment, performance and observance of the Secured Obligations. It is the intent of the parties that this Agreement grants a security interest in the Collateral and is not intended to be, and shall not be deemed to be, an assignment of the Collateral.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Obligor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Additional Secured Parties in connection with the Pledge and Security Agreement and is expressly subject to the terms and conditions thereof. The Pledge and Security Agreement (and all rights and remedies of the Additional Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

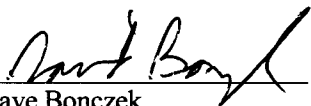

SECTION 4. Acknowledgment. The Obligor does hereby further acknowledge and affirm that the rights and remedies of the Additional Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Indenture and the Pledge and Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Pledge and Security Agreement, the terms of the Pledge and Security Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

SECTION 6. Agent Entitled to Protections. The Agent shall be afforded in this Agreement all of the same rights, powers, immunities and indemnities of the Collateral Agent set forth in the Collateral Trust and Intercreditor Agreement, as if such rights, powers, immunities and indemnities were specifically set forth in this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
