## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT is dated as of December 4, 2012, by FIRE PROTECTION SERVICE CORPORATION, a Utah corporation (“**Grantor**”), in favor of CAPITALSOURCE BANK, a California industrial bank (“**Lender**”).

WHEREAS, pursuant to that certain Loan Agreement dated as of even date herewith by and between Grantor as Borrower and Lender (as the same may be amended, restated, modified, or supplemented from time to time, the “**Loan Agreement**”), Lender has agreed to make certain loans and other financial accommodations to Grantor; and

WHEREAS, pursuant to the Loan Agreement, Grantor is required to execute and deliver to Lender this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. Defined Terms. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Loan Agreement.
2. Grant of Security Interest in Trademark Collateral. Grantor hereby grants to Lender a continuing first priority security interest in all of Grantor’s right, title, and interest in, to, and under the following (collectively, the “**Trademark Collateral**”): all of its trademark applications and trademarks, whether now owned or hereafter acquired, including without limitation those listed on Schedule I hereto, including all proceeds thereof (such as, by way of example, license royalties and proceeds of infringement suits), the right to sue for past, present, and future infringements, all rights corresponding thereto throughout the world and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, and the goodwill of the business to which any of the trademarks relate.
3. Loan Agreement. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Lender pursuant to the Loan Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
4. Miscellaneous. The validity, interpretation and performance of this Trademark Security Agreement shall, pursuant to New York General Obligations Law Section 5-1401, be governed and construed in accordance with the laws of the State of New York without regard to such state’s choice of law provisions that would result in the application of the laws of a different jurisdiction. This Trademark Security Agreement may be executed in any number of counterparts and by the different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Any judicial proceeding arising out of or relating to this Trademark Security Agreement shall be handled in accordance with and pursuant to the provisions of Section 14.1 of the Loan Agreement, including venue and service of process. Any notice or request under this Trademark Security Agreement shall be given to any party to this Assignment at such party’s address set forth in the Loan Agreement.
