EXHIBIT B

EXHIBIT B

ASSIGNMENT OF TRADEMARKS AND REGISTRATIONS THEREFORE

WHEREAS, Echelon Corporation, a Delaware corporation, having a place of business at 550 Meridian Avenue, San Jose, California 95126 ("Assignor") has acquired or adopted, and used, and thereby own all rights, title and interests in and to (i) the trademarks; and (ii) the registrations identified in "Schedule A-1" attached hereto and by this reference incorporated into and made a part hereof (the "Marks" and "Registrations"), together with the goodwill of the business appurtenant to said Marks;

WHEREAS, Lonmark International, a California corporation, having a place of business at 550 Meridian Avenue, San Jose, California 95126 ("Assignee") is desirous of acquiring said Marks and Registrations; and

WHEREAS, in order to effectuate Assignor's assignment of its entire rights, title and interests in and to the Marks and Registrations and the goodwill appurtenant thereto, to Assignee, Assignor is executing this instrument of Assignment.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor does hereby sell, assign, convey and transfer unto Assignee, its successors, assigns and legal representatives, its full and entire rights, title and interests in and to the Marks and Registrations identified in said Schedule A-1, and the attendant goodwill symbolized by the Marks, the same to vest in Assignee, including, without limitation, the ownership of all causes of action for, and claims for damages by reason of, the infringement of any of the Marks by other parties, which causes of action and claims arose prior to the date of execution hereof.

Assignor hereby represents and warrants that, to the best of its knowledge, (i) it is the sole owner of the Marks and the goodwill associated therewith and the Registrations; (ii) the

Registrations were not obtained fraudulently or contrary to any provision of the laws of the United States; (iii) the Registrations are not the subject of any opposition or dispute proceedings in the United States or in any other jurisdiction in the world; and (iv) Assignee has good and marketable title to the Marks and Registrations free and clear of any lien, security interest, claim, or encumbrance. In this connection, Assignor states that it makes no other representations or warranties whatsoever, expressed or implied, except as specifically set forth hereinabove.

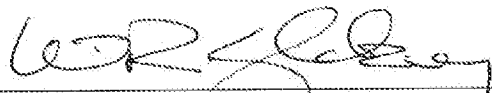

Assignor hereby agrees that Assignee shall have the right to record this instrument of assignment with the United States Patent and Trademark Office and with any other agency, office or authority in any and all other jurisdictions and countries of the world, so as to establish ASSIGNEE as owner of record of the Marks and Registrations. Any and all costs required to be paid to record this instrument of assignment with the United States Patent and Trademark Office and any other agency, office or authority in any and all other jurisdictions and countries of the world, so as to establish ASSIGNEE as owner of record of the Marks and Registrations shall be borne solely by ASSIGNEE.

Assignor further agrees, at the request of Assignee to (i) execute and have executed any and all other documents of any kind whatsoever, and to provide whatever information may be required, to carry out the terms and intent of this Assignment; and (ii) fully cooperate with Assignee, as reasonably required, to enable Assignee to duly record this instrument of assignment with the United States Patent and Trademark Office and with any other agency, office or authority in any and all other jurisdictions and countries of the world, so that Assignee's ownership of the Marks and Registrations is duly made of record.

IN WITNESS WHEREOF, Assignors have caused this instrument to be executed on the date indicated below.
