TRADEMARK AND PATENT ASSIGNMENT

This Trademark and Patent Assignment (this "Assignment"), dated as of February 8, 2008, is entered into between The Sporocidin Company, a Delaware corporation ("TSC"), The R. Schattner Company, a Maryland sole proprietorship ("RSC", collectively with TSC, the "Seller"), and Contec, Inc., a South Carolina corporation ("Buyer").

In consideration of the mutual promises, covenants and agreements contained in the Asset Purchase and Sale Agreement between Seller, Buyer and Robert I. Schattner, the sole shareholder of TSC of even date, the parties agree as follows:

1. Seller covenants that it has obtained rights and ownership in and to certain trade names, service marks and trademarks, which are more particularly listed on Schedule A attached hereto (collectively, the "Trademarks") and those registered Patents, which are more particularly listed on Schedule A attached hereto (collectively, the "Patents").

2. Seller hereby assigns, transfers and conveys to Buyer, and Buyer hereby accepts, all right, title and interest in and to the (A) Trademarks, including without limitation all goodwill of the business symbolized by the Trademarks, and (B) Patents and the inventions described therein and the worldwide rights thereto, including: (i) any continuations, divisions, continuations-in-part, renewals or substitutes thereof as well as all reissues, reexaminations, renewals and extensions thereof, for the United States, its territories and possessions and all foreign countries, (ii) all rights to all past, present and future causes of action and enforcement rights to all of the Patents, including all rights to pursue damages, injunctive relief and other remedies for past, present and future infringement; and (iii) the right to file corresponding patent applications on the invention in any and all foreign countries, and to claim priority under any and all treaties and conventions to which the United States of America is signatory.

3. Seller shall take whatever further action is deemed necessary or appropriate by Buyer to effect properly and completely the transfer to Buyer of the Trademarks and to establish full ownership of the Trademarks by Buyer.

4. The person executing this Assignment on behalf of Seller covenants that he has the corporate authority and authorization to effectuate and execute this assignment on behalf of Seller.
