## FIRST LIEN TRADEMARK SECURITY AGREEMENT

**FIRST LIEN TRADEMARK SECURITY AGREEMENT**, dated as of December 21, 2012 (this "Agreement"), among RP CROWN HOLDING, LLC ("Holdings"), RP CROWN PARENT, LLC (the "Borrower"), the subsidiaries of the Borrower party hereto and CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, as Administrative Agent (the "Administrative Agent").

Reference is made to the First Lien Guarantee and Collateral Agreement dated as of December 21, 2012 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), among Holdings, the Borrower, the Subsidiaries of the Borrower (as identified therein) and the Administrative Agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the First Lien Credit Agreement dated as of December 14, 2012 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement") among Holdings, the Borrower, the Lenders party thereto and Credit Suisse AG, Cayman Islands Branch, as Administrative Agent. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. Holdings and the Subsidiary Parties are affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Administrative Agent, its successors and assigns, for the ratable benefit of the Secured Parties, a security interest in each Grantor's right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

- (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other

country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I (collectively, "Trademarks");

(b) all Contractual Obligations providing for the grant of any right to or under any Trademarks, including those listed on Schedule I; and

(b) all goodwill associated with or symbolized by the Trademarks.

SECTION 3. Security Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern (and for the avoidance of doubt, Excluded Assets shall not be part of the Trademark Collateral).

SECTION 4. Applicable Law. This Agreement shall be construed in accordance with and governed by the law of the State of New York.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract.
