TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT ("Agreement"), effective as of October 21, 2012 is by and between BAXA CORPORATION., a fully owned subsidiary of Baxter International Inc., a Delaware Corporation, whose full address is One Baxter Parkway, Deerfield, Illinois 60015, United States of America ("Assignor") and NUMIA MEDICAL TECHNOLOGY, LLC, a limited company with an address of 84 Farrant Street, Newport, VT 05855 ("Assignee").

WHEREAS, Assignor is the owner of all right, title and interest in and to the trademarks, and the corresponding registrations set forth on Schedule A (collectively, the "Trademarks"), together with the goodwill of the business connected with and symbolized by the Trademarks; and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties agree as set forth below.

Assignor hereby sells, assigns, transfers and conveys to Assignee the entire right, title and interest in and to the Trademarks in the United States, together with the goodwill of the business connected with and symbolized by the Trademarks (including, without limitation, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within the United States based in whole or in part upon the Trademarks and any priority right that may arise from the Trademarks), and in and to all causes of action, either at law or in equity, and to the right to sue, counterclaim and recover for past, present or future infringement of the rights assigned herein, the same to be held and enjoyed by Assignee as fully and entirely as such interest would have been held and enjoyed by Assignor had this Assignment not been made.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office to record the transfer of the registrations set forth on Schedule A, to Assignee, of Assignor's entire right, title and interest therein. At Assignee's direction and expense, Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Trademarks.

IN WITNESS WHEREOF, the parties have executed this Assignment as of the Effective Date.

Re: Baxter International Inc. - Assignment of MICROFUSE, U.S.
Trademarks to – NUMIA MEDICAL

Dear Mr. Flachbart:

Attached hereto please find the duly executed 'original' trademark assignment. Please execute the original attached, have notarized, and scan a copy of the fully signed document back to my attention at: kathy_gruber@baxter.com.

Additionally, I've enclosed the original U.S. trademark files in our possession. Please note that the contents contain a copy of the most recent status with the USPTO. At the time we acquired Baxa Corporation, they did not have the originals in their possession. Both of the registrations were renewed by Baxa in 2009. Current particulars are as follows:

- MICROFUSE, Reg. No. 2307872, next renewal: December 21, 2019
- MICROFUSE & Design, Reg. No. 2386181, next renewal: Sept 12, 2020

Should you have any questions in relation to the trademarks, please feel free to contact me. Please ensure the attached assignment is duly recorded with the USPTO in order to reflect Numia as the current owner.

Best regards,

Kathryn M. Gruber
