Trademark Security Agreement

Trademark Security Agreement, dated as of December 19, 2012 by Chandler Chicco Agency, L.L.C., Chandler Chicco Companies LLC, Encuity Research LLC, Gerbig Snell/Weisheimer Advertising, LLC, Ignite Health LLC, inVentiv Communications, Inc., inVentiv Health, Inc., inVentiv Medical Management LLC, PharmaNet LLC, Synergos LLC, Patient Marketing Group LLC and Raven Holdco LLC (the "New Grantors"), in favor of CITIBANK, N.A., in its capacity as administrative agent for the Secured Parties (in such capacity, the "Administrative Agent").

WITNESSETH:

WHEREAS, the New Grantors have executed a Security Agreement Supplement dated as of the date hereof to become Grantors under the Security Agreement, dated as of August 4, 2010 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"), in favor of the Administrative Agent pursuant to which the New Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the New Grantors hereby agree with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The New Grantors hereby pledge and grant to the Administrative Agent for the benefit of the Secured Parties a lien on and security interest in and to all of their right, title and interest in, to and under all the following Pledged Collateral of the New Grantors:

- (a) Trademarks of the New Grantors listed on Schedule I attached hereto; and
- (b) all Proceeds of any and all of the foregoing.

SECTION 3. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and the New Grantor hereby acknowledges and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Administrative Agent shall otherwise determine.

SECTION 4. Termination. Upon all of the Secured Obligations (other than (x) (i) Cash Management Obligations and (ii) Secured Obligations under Secured Hedge Agreements not yet due and payable, and (y) contingent obligations not yet accrued and payable) having been paid in full, all Letters of Credit having been Cash Collateralized or otherwise back-stopped (including by “grandfathering” into any future credit facilities), in each case, on terms reasonably satisfactory to the relevant L/C Issuer in its reasonable discretion, or having expired or having been terminated, and the Aggregate Commitments having expired or having been terminated and the termination of the Security Agreement, the Administrative Agent shall, at the expense of the New Grantors, execute, acknowledge, and deliver to the New Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement (other than contingent indemnification obligations and letter of credit obligations that have been cash-collateralized in a manner reasonably satisfactory to the Administrative Agent and the L/C Issuer).

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.
