RECITALS

1. On November 12, 2012, pursuant to the November 12, 2012 Bill of Sale, Green Bullion assigned all right, title and interest in and to certain intellectual property consisting of trademarks, copyrights, and domain names, including the trademarks and service marks identified on Schedule A attached thereto.
2. Trademark Registration No. 3,820,276 for the motion mark consisting of a circular ring of fire that expands outward and inward and then contracts back to its original form (the "Ring of Fire Mark") was inadvertently omitted from Schedule A of the November 12, 2012 Bill of Sale.
3. This Trademark Assignment is an Addendum to the November 12, 2012 Bill of Sale assigning the Ring of Fire Mark and registration therefore, and is a short-form assignment to be recorded with the U.S. Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, Green Bullion hereby sells, assigns, and transfers to C4G all right, title and interest in and to the Ring

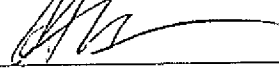

of Fire Mark, and registrations and applications thereto, including without limitation the goodwill of the business symbolized thereby and applicable thereto, the portion of the business to which the Ring of Fire Mark pertains, and all rights to damages and profits, due or accrued, arising out of past infringements of said Ring of Fire Mark, and the right to sue for and recover the same.
