ASSIGNMENT OF TRADEMARKS

This Assignment of Trademarks is entered into as of December 31, 2012 by and between Lawrence L. Anderson, M.D., P.A. (the "Assignor"), and Oliver Street Dermatology Management LLC (the "Assignee").

WHEREAS, pursuant to an Asset Purchase Agreement (the "Purchase Agreement"), dated as of December __, 2012, by and among Assignor, Assignee and the other parties set forth on the signature pages thereto, the Assignee shall acquire certain assets of Assignor, including, without limitation, the Marks (as defined below).

WHEREAS, the Assignor is the sole and exclusive owner of the entire right, title and interest in and to the trademarks listed on Schedule A attached hereto and all variations thereof (the "Marks"). The Assignee wishes to acquire, and the Assignor wishes to assign, the Assignor's entire right, title and interest in and to the Marks.

NOW, THEREFORE, in consideration of the foregoing, and other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, the Assignor and the Assignee hereby agree as follows:

1. Definitions. Capitalized terms used herein and not defined shall have the meanings given to them in the Purchase Agreement.
2. Assignment. The Assignor hereby sells, transfers, assigns and sets over to the Assignee the entire right, title and interest of the Assignor in and to the Marks, together with all registrations and applications therefor, in the United States and for all other foreign countries, including any renewals thereof that are or may be secured under the laws of the United States and all foreign countries, now or hereafter in effect, for the Assignee's own use and enjoyment, as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment and sale had not been made, together with the right or priority under any international agreements to which the United States adheres and including (a) all goodwill associated with the Marks, (b) all income, royalties and rights to payment with respect to the Marks, and (c) all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks with the right to sue for, and collect the same for the Assignee's own use and enjoyment.

The Assignor requests the Commissioner of Patents and Trademarks, any other governmental or judicial entity and any and all countries foreign to the United States of America to record the Assignee as the assignee and owner of the Marks and to issue all registrations for said Marks, to be in the name of the Assignee, as assignee of all of the Marks, for the sole use of the Assignee, its successors, legal representatives, and assigns, in accordance with the terms of this Assignment of Trademarks.

3. Further Assurances. The Assignor shall provide to the Assignee reasonable cooperation and assistance at the Assignee's reasonable request, without charge and at the Assignee's expense (including the execution and delivery of any and all affidavits, declarations,

oaths, samples, exhibits, specimens and other documentation as may be reasonably required): (a) in the preparation and prosecution of any application for registration or any application for renewal of a registration covering the Marks, (b) in the prosecution or defense of any cancellation, opposition, infringement or other proceedings that may arise in connection with the Marks, including, but not limited to, testifying as to any facts relating to the Marks assigned herein, (c) in obtaining any additional trademark protection for the Marks that the Assignee reasonably may deem appropriate that may be secured under the laws now or hereafter in effect in the United States or for any or all countries foreign to the United States of America and (d) for the implementation or perfection of the provisions of this Assignment.

4. Miscellaneous. This Assignment of Trademarks shall be binding upon and inure to the benefit of the parties hereto and to their respective heirs, legal representatives, successors and assigns, and shall be construed and enforced in accordance with the laws of the State of Delaware, without regard to its conflicts of law provisions. This Assignment of Trademarks may be executed in one or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.
