ASSIGNMENT OF TRANSFERRED TRADEMARK RIGHTS AND TRANSFERRED DOMAIN NAMES

This ASSIGNMENT OF TRANSFERRED TRADEMARK RIGHTS AND TRANSFERRED DOMAIN NAMES (this "Assignment"), is entered into and made effective as of December 14, 2012 ("Effective Date"), by and between Johnson & Johnson, a New Jersey corporation (hereinafter, "Assignor"), and Dr. Fresh, LLC, a Delaware limited liability company (hereinafter, "Assignee"). Assignor and Assignee are referred to herein collectively as the "Parties" and each of them individually as a "Party."

WHEREAS, Assignor is the owner of the Transferred Trademark Rights and Transferred Domain Names (as such terms are defined in the Asset Purchase Agreement).

WHEREAS, McNEIL-PPC, Inc., a New Jersey corporation and wholly-owned subsidiary of Assignor, and Assignee, entered into an Asset Purchase Agreement dated as of the date hereof (the "Asset Purchase Agreement"); and

WHEREAS, in accordance with the Asset Purchase Agreement and Section 2.01(b) thereof, Assignor, a Divesting Entity, desires to sell, convey, assign and transfer to Assignee, and Assignee desires to purchase, acquire and accept all of Assignor's rights, titles, goodwill and interests in, to, and under the Transferred Trademark Rights and Transferred Domain Names.

NOW THEREFORE, in consideration of the foregoing premises and the mutual covenants and agreements contained herein and in the Asset Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, do hereby agree as follows:

All capitalized terms used but not otherwise defined in this Assignment shall have the meanings given to such terms in the Asset Purchase Agreement.

Assignor hereby irrevocably, without reservation, sells, conveys, assigns and transfers to Assignee (and to Assignee's successors and assigns), and Assignee hereby purchases, acquires and accepts all of Assignor's rights, titles, goodwill and interests in, to and under the Transferred Trademark Rights set forth on Schedule A attached hereto, and to the Transferred Domain Names set forth on Schedule B attached hereto, together with all rights, claims and credits of Assignor or any of its Affiliates relating thereto, including rights to sue for infringement of intellectual property and to recover damages relating to thereto in accordance with the provisions of the Asset Purchase Agreement.

Assignor agrees to cooperate with Assignee's reasonable requests and instructions in order to effectuate the recording of the change in ownership of the Transferred Domain Names in accordance with the terms outlined in section 6.03 of the APA.

This Assignment shall be effective as of the Effective Date.

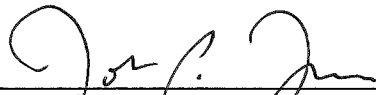

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, and together shall constitute one and the same assignment, it being understood that the parties hereto need not sign the same counterpart.

This Assignment shall be governed by and construed in accordance with the laws of the State of New York, without regard to the conflicts of law principles or rules of such state, to the extent such principles or rules are not mandatorily applicable by statute and would permit or require the application of the laws of another jurisdiction.
