**GRANT OF SECURITY INTEREST IN
TRADEMARK RIGHTS**

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (this "Agreement"), dated as of December 28, 2012, is made by ORANGE COAST KOMMUNICATIONS, INC., a Delaware corporation (the "Grantor"), in favor of JPMORGAN CHASE BANK, N.A., as administrative agent for the equal and ratable benefit of the Secured Creditors (in such capacity, together with its successors and assigns in such capacity, the "Administrative Agent").

The Grantor has executed and delivered that certain Security Agreement, dated as of December 28, 2012, in favor of the Administrative Agent for the equal and ratable benefit of the Secured Creditors (as the same may be amended, restated, supplemented or otherwise modified and in effect from time to time, the "Security Agreement"). The Grantor has pledged and granted to the Administrative Agent a continuing security interest in all intellectual property, including the Trademarks.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Grantor agrees, for the benefit of Administrative Agent, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement have the meanings provided or provided by reference in the Security Agreement or Credit Agreement referred to therein.

2. Grant of Security Interest. (a) This Agreement is made to secure the satisfactory performance and payment of all of (i) the Secured Obligations, (ii) the obligations and liabilities of the Parent under the Parent Guaranty and (iii) the obligations and liabilities of the Subsidiary Guarantors under the Subsidiary Guaranty. Upon the payment in full of all Secured Obligations (other than contingent indemnification obligations which have not been asserted), the Administrative Agent shall promptly, upon such satisfaction, execute, acknowledge, and deliver to Grantor all reasonably requested instruments in writing releasing the security interest in the Trademarks acquired under this confirmatory grant.

(b) The Grantor hereby pledges and grants to the Administrative Agent, on behalf of and for the benefit of the Secured Creditors, a lien in and security interest in all of the Grantor's right, title and interest, whether now owned or hereafter acquired, in and to (i) its trademarks (including service marks), trade names, trade dress and the registrations and applications for registration thereof, including the foregoing listed on Schedule A, and the goodwill of the business symbolized by the foregoing; (ii) all renewals of the foregoing; (iii) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof; (iv) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (v) all rights corresponding to any of the foregoing throughout the world (the "Trademarks") excluding any intent-to-use United States trademark applications for which an amendment to alleged use or statement of use has not been filed under 15 U.S.C. §1051(c) or 15 U.S.C. §1051(d), respectively, or, if filed, has not been deemed in conformance with 15 U.S.C. §1051(a) or examined and accepted by the United States Patent and Trademark Office.

3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Administrative Agent in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Administrative Agent thereunder) shall remain in full force and effect in accordance with its terms.

4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

5. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together constitute one and the same original.

6. Governing Law. This Agreement shall be construed in accordance with and governed by the law of the State of New York.
