LIST OF INTELLECTUAL PROPERTY

Issued Patents

- Original Power Inc. , the Consultant, currently has two issued patents with claims covering features of its cordless line trimmers. The first patent is 6,769,494 covering features such as the rotating accessory handle and integrated concentric rolling edge guide. The second patent, 7,131,499 is much broader in scope and covers most aspects of control on any combination line trimmer/edger

Patents Pending

- Original Power Inc. , the Consultant, has two patents pending. Applications have been filed for an Interchangeable Cordless Tool System and for an Edger. The Interchangeable Cordless Tool System is currently being produced for Sears and has also been sampled using Nickel-Zinc battery technology. The Edger incorporates unique features such as a pivoting shaft that allows for compact storage and a completely removable blade guard for easy cleaning. These applications are still pending with the USPTO and have not yet been published.
