Assignment of Intellectual Property ("Assignment")

WHEREAS, Stuart H. Wentworth, a United States citizen, and Claudia H. Wentworth, a United States citizen, own all right, title and interest in the US Trademark Registrations QUICK MOUNT PV (Reg. 3508754) and RESPECT THE ROOF (Reg. 3899184);

AND WHEREAS, Wencon Development, Inc. DBA Quick Mount PV, (hereinafter "Wencon") a California corporation having an address of 2700 Mitchell Dr., Building 2, Walnut Creek, California 94598, USA, desires to acquire, and wishes to confirm and better record the acquisition of, the whole right, title and interest for the United States of America and all other countries in and to the said trademark registrations.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, said Stuart H. Wentworth and said Claudia H. Wentworth do hereby sell, assign, transfer and set over unto said Wencon all Trademark registrations, and all priority rights under the International Convention for every member country, together with the rights to enforce and collect damages from infringements that have occurred in the past for its own use and for its legal successors and assigns, as fully as entirely as the same would have been held by Stuart H. Wentworth and said Claudia H. Wentworth had this assignment and sale not been made.

I agree that I will, upon request by Wencon, without further consideration, but at the expense of Wencon do all such things and execute all such documents as may be necessary or desirable to obtain and maintain said trademark registrations any and all countries, and to vest title thereto in Wencon, its successors, assigns and legal representatives or nominees.

I hereby authorize and request the Commissioner of Patents and Trademarks to issue said trademark registrations to said Wencon, the assignee of the entire right, title and interest in and to the same, for its sole use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term for which trademark registrations may be granted as fully and entirely as the same would have been held by me had this assignment and sale not been made.

The undersigned hereby grants the firm of Temmerman Law Office (One Market Street, Spear Tower, 36th Floor, San Francisco, California 94105, USA) the power to insert on this assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
