ASSIGNMENT

THIS ASSIGNMENT is made as of this 15TH day of January, 2003 by and between MET-PRO CORPORATION, a Delaware corporation ("Assignor") and having its principal place of business at 160 Cassell Road, Harleysville, PA 19438, and MPC INC., a Delaware corporation ("Assignee") having an address of 103 Springer Building, 3411 Silverside Road, Wilmington, Delaware 19810.

WITNESSETH:

WHEREAS, Assignor is the owner of certain intellectual and other intangible property listed in the attached Exhibit A (such property shall be referred to herein as the "Property"); and

WHEREAS, Assignee is desirous of acquiring all right, title, and interest in and to the Property.

NOW THEREFORE, by this document of Assignment, Assignor, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, does hereby contribute, assign, transfer and convey to Assignee all right, title and interest in the Property, the registrations and applications thereof, together with the good will of the business symbolized by the Property, and all choses in action relating to the Property.

The Property assigned herein may be held and enjoyed by Assignee, for Assignee's own use and behalf, and for Assignee's legal representatives and assigns as fully and entirely as the same would have been held by the undersigned Assignor had this Assignment and conveyance not been made. Assignor further covenants, agrees and undertakes to execute, whenever requested by Assignee, all assignments, lawful oaths, and any other papers or documents, and to render such other assistance which Assignee may deem necessary or desirable for securing to Assignee or for maintaining for Assignee the Property hereby assigned, all without further compensation to the undersigned Assignor.

The United States Commissioner of Patents and Trademarks is hereby requested and authorized to issue any and all United States patents granted on any of such applications or any of the rights to the Property conveyed herein to Assignee as owner of the entire right, title and interest in, to and under same, and appropriately empowered officials of foreign countries are hereby authorized to issue any letter patent granted on any of the applications or any of the rights or properties conveyed herein to Assignee as owner of the entire right, title and interest in, to and under the same.

Assignor represents and warrants that it owns the Property, free and clear of any adverse claim or encumbrance; and is not aware of any rights of any third party which would prevent the assignment of the Property or limiting in any way Assignee's right to own or use the Property.

IN WITNESS WHEREOF, this Assignment has been executed by the Assignor as of the date first above written.
