- ii. The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

2. Grant of Security Interest. To secure the payment and performance of the Liabilities, each Debtor hereby confirms and acknowledges that it has granted (and, to the extent not previously granted under the Indenture or the Security Agreement, does hereby grant) to Agent, for the benefit of the Secured Group, a lien and security interest in such Debtor's entire right, title and interest in, in each case to the extent constituting Collateral (as defined in the Security Agreement), its respective Intellectual Property (except to the extent any License prohibits such grant or requires the consent of any third party) and all proprietary rights relating to or arising from such Intellectual Property, in each case whether now owned or hereafter acquired by such Debtor, and including, without limitation, each Debtor's right, title and interest in and to each Intellectual Property and proprietary right identified on Schedule I attached hereto and made a part hereof, and the right to sue for past, present and future infringements and dilutions, and all rights corresponding thereto throughout the world, and the entire goodwill of such Debtor's business connected with and symbolized by such Intellectual Property and all income, fees, royalties, proceeds and other payments at any time due or payable with respect to any of the foregoing (referred to collectively as the "Collateral").

3. Protection of Intellectual Property by Debtors. Each Debtor shall, at its sole cost, expense and risk, to the extent such Debtor deems it commercially reasonable in its good faith business judgment, in connection with the operation of its business, undertake the following with respect to the Intellectual Property:

- (a) Pay all renewal fees and other fees and costs associated with maintaining the Intellectual Property and with the processing of the Intellectual Property and take all other commercially reasonable steps to maintain each registration of the Intellectual Property.
- (b) Take all actions commercially reasonable to prevent any of the Intellectual Property from becoming forfeited, abandoned, dedicated to the public, invalidated or impaired.
- (c) Take all actions commercially reasonable to pursue the prompt, diligent processing of each application for registration, which is the subject of the security interest created herein, and not abandon or delay any such efforts.
- (d) Take any and all action that such Debtor reasonably deems appropriate under the circumstances to protect the Intellectual Property from infringement, misappropriation or dilution, including, without limitation, the prosecution and defense of infringement actions.

4. Representations and Warranties. Each Debtor represents and warrants that:

- (a) Schedule I is a true, correct and complete list of all registered or applied for Intellectual Property owned by each Debtor as of the date hereof.
- (b) Except as set forth in Schedule I, none of the Intellectual Property identified on Schedule I is the subject of any licensing or franchise agreement pursuant to which any Debtor is the licensor or franchisor.
- (c) The Intellectual Property identified on Schedule I hereto, is valid and enforceable, and to each Debtor's knowledge: (i) no claim has been made that the use of any of the Intellectual Property does or may violate the rights of any third person; and (ii) no material claim has been asserted and is pending by any Person challenging or questioning the use by any Debtor of any of the Intellectual Property owned by any Debtor or the validity or effectiveness of any of the Intellectual Property owned by any Debtor, nor does any Debtor know of any valid basis for any such claim.
- (d) Except as could not be reasonably expected to result in a Material Adverse Change, each Debtor owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted, and such Debtor is the sole and exclusive owner of the entire right, title and interest in, under and to, free and clear of any liens, charges and encumbrances, other than any Intellectual Property listed on Schedule I that is purported to be owned by each Debtor, Permitted Liens and Liens in favor of Agent.
- (e) To the knowledge of each Debtor, no holding, decision or judgment has been rendered by any governmental authority which would limit, cancel or question the validity of, or any Debtor's rights in, any Intellectual Property set forth on

Schedule I in any respect that could reasonably be expected to result in a Material Adverse Change with respect to the business or the property of any Debtor.

- (f) Each Debtor has the legal right and authority to enter into this Agreement and perform its terms.
- (g) Each Debtor shall give Agent written notice (with reasonable detail, and including an update of Schedule I) on a quarterly basis in the event any of the following occur:
 - i. Any Debtor's obtaining rights to, and filing applications for registration of, any new Intellectual Property, or otherwise acquiring ownership of any newly registered Intellectual Property.
 - ii. Any Debtor becoming entitled to the benefit of any registered Intellectual Property whether as licensee or licensor.
 - iii. Any Debtor's entering into any new material Licenses (excluding "off-the-shelf" software or similar immaterial licenses).
 - iv. Each Debtor shall give Agent written notice (with reasonable detail) following the occurrence of such Debtor knowing or having reason to know, that any application or registration relating to any material Intellectual Property may become forfeited, abandoned or dedicated to the public, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or any court or tribunal) regarding such Debtor's ownership of, or the validity of, any material Intellectual Property or such Debtor's right to register the same or to own and maintain the same.
- (h) If any Debtor amends its name, such Debtor shall provide copies of such amendment documentation to Agent and shall re-register such Debtor's Intellectual Property with the appropriate governmental authority and shall execute and deliver such agreements or documentation as Agent shall request to maintain a perfected second priority (or, after the Discharge of First Lien Priority Obligations, first-priority) security interest in such Intellectual Property, to the extent such security interest can be perfected by such filing.

5. No Violation of Indenture. The representations, warranties or covenants contained herein are supplemental to those representations, warranties and covenants contained in the Indenture and the other Note Documents, and shall not be deemed to modify any such representation, warranty or covenant contained in the Indenture or the other Note Documents.

6. Agreement Applies to Future Intellectual Property.

- (a) The provisions of this Agreement shall automatically apply to any such additional property or rights described in Section 2 above, all of which shall be deemed to be and treated as “Intellectual Property” within the meaning of this Agreement.
- (b) Upon the reasonable request of Agent, each Debtor shall execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as Agent may request to evidence Agent’s security interest in any Intellectual Property and the goodwill of such Debtor relating thereto or represented thereby (including, without limitation, filings with the United States Patent and Trademark Office or any similar office), and each Debtor hereby constitutes Agent as its attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; provided, however, Agent’s taking of such action shall not be a condition to the creation or perfection of the security interest created hereby.

7. Debtors’ Rights To Enforce Intellectual Property. Prior to Agent’s giving of notice to any Debtor following the occurrence and during the continuance of an Event of Default, each Debtor shall have the exclusive right to sue for past, present and future infringement of the Intellectual Property owned by it, including the right to seek injunctions and/or money damages, in an effort by such Debtor to protect the Intellectual Property against encroachment by third parties, provided, however:

- (a) Any money damages awarded or received by any Debtor on account of such suit (or the threat of such suit) shall constitute Collateral.
- (b) Following the occurrence and during the continuance of any Event of Default, Agent, by notice to any Debtor, may terminate or limit each Debtor’s rights under this Section 7.

8. Agent’s Actions To Protect Intellectual Property. Upon the occurrence and continuance of any Event of Default, Agent, acting in its own name or in that of any Debtor, may (but shall not be required to) act in any Debtor’s place and stead and/or in Agent’s own right with respect to the rights and obligations of such Debtor under Section 3, Section 6 and Section 7 hereof.

9. Rights Upon Default. Upon the occurrence and during the continuance of any Event of Default, Agent may exercise all rights and remedies as provided for in the Indenture, the other Note Documents or applicable law.

10. Agent as Attorney In Fact.

- (a) Each Debtor hereby irrevocably constitutes and designates Agent as and for such Debtor attorney-in-fact, effective following the occurrence and during the continuance of an Event of Default:

- i. To supplement and amend from time to time Schedule I of this Agreement to include any new or additional Intellectual Property of such Debtor.
 - ii. To exercise any of the rights and powers referenced herein.
- (b) The within grant of a power of attorney, being coupled with an interest, shall be irrevocable until this Agreement is terminated by a duly authorized officer of Agent.
- (c) Agent shall not be obligated to do any of the acts or to exercise any of the powers authorized by Section 8 or Section 10, but if Agent elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to any Debtor for any act or omission to act except for any act or omission to act as to which there is a final determination made in a judicial proceeding (in which proceeding Agent has had an opportunity to be heard) which determination includes a specific finding that the subject act or omission to act had been negligent or in actual bad faith.

11. Agent's Rights. Upon an Event of Default and during the continuance thereof, any use by Agent of the Intellectual Property, as authorized hereunder in connection with the exercise of Agent's rights and remedies under this Agreement and under the other Note Documents shall be coextensive with each Debtor's rights thereunder and with respect thereto and without any liability for royalties or other related charges.

12. No Limitation; Indenture. This Agreement has been executed and delivered by each Debtor for the purpose of recording the security interest granted to Agent with respect to the Collateral with the United States Patent and Trademark Office and the United States Copyright Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to Agent, for the benefit of itself and the Holders, under the Security Agreement and the other Note Documents. The Indenture (and all rights and remedies of each Debtor, Agent, and the Holders thereunder) shall remain in full force and effect in accordance with its terms. In the event of a conflict between this Agreement and the Indenture or the Security Agreement, the terms of this Agreement shall control with respect to the Collateral and the Indenture or the Security Agreement with respect to all other Collateral (as defined in the Security Agreement). Notwithstanding anything herein to the contrary, the Lien and security interest granted to the Agent pursuant to this Agreement, the obligations of the Debtors hereunder and the exercise of any right or remedy by the Agent hereunder are subject to the provisions of the Intercreditor Agreement. If there is a conflict between the terms of the Intercreditor Agreement, and this Agreement or the Indenture, the applicable terms of the Intercreditor Agreement will control. Further, notwithstanding anything herein to the contrary, prior to the Discharge of First Lien Priority Obligations, the requirement pursuant this Agreement to endorse, assign, deliver or grant control over Collateral to the Agent shall be deemed satisfied by endorsement, assignment, delivery or granting control of such Collateral to the First Lien Agent (who shall possess or control such Collateral for the benefit of the Agent in accordance with the Intercreditor Agreement). Following the Discharge of First Lien Priority

Obligations, each Pledgor shall endorse, assign, deliver or grant control to the Agent over such Collateral for which perfection is effectuated in such manner.

13. Termination; Release of Trademark Collateral. This Agreement and all obligations of each Debtor and Agent hereunder shall terminate on the date upon which the Liabilities are performed in full and paid in full in cash and the Indenture and other Note Documents are terminated in accordance with the terms of the Indenture. Upon termination of this Agreement, Agent shall, at the expense of the Debtors, take such actions required by the Indenture or the Security Agreement to release its security interest in the Collateral.

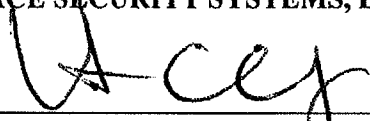

14. Binding Effect; Benefits. All agreements of the Issuers and the Debtors in this Agreement will bind its successors.

15. GOVERNING LAW; TRIAL BY JURY. THIS AGREEMENT WILL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK. EACH OF THE ISSUER, THE DEBTORS AND THE AGENT HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE NOTES, THE NOTE GUARANTEES OR THE TRANSACTION CONTEMPLATED HEREBY.

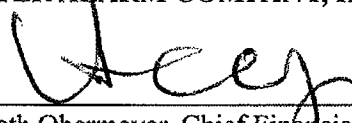

[REMAINDER OF PAGE INTENTIONALLY BLANK; SIGNATURES FOLLOW]
