TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (as amended, supplemented and/or otherwise modified from time to time, this "*Agreement*"), dated as of January 31, 2013, is between SELLING SOURCE, LLC, a Delaware limited liability company (the "*Grantor*"), and WHITE OAK GLOBAL ADVISORS, LLC, a Delaware limited liability company ("*Administrative Agent*"), as Administrative Agent for the benefit of the Lenders party to that certain Loan Agreement (as hereinafter defined).

RECITALS

A. Grantor has previously entered into or is in the process of entering into that certain Loan and Security Agreement, dated as of January 31, 2013 (as amended, supplemented and/or otherwise modified from time to time, the "*Loan Agreement*"), among Borrower (as hereinafter defined), the subsidiaries of Borrower which from time to time are parties thereto as Subsidiary Guarantors, the financial institutions which from time to time are parties thereto as Lenders, and Administrative Agent, pursuant to which Lenders have agreed, subject to certain terms and conditions, to extend various financial accommodations to SELLING SOURCE, LLC, a Delaware limited liability company ("*Borrower*").

B. Pursuant to the Loan Agreement, Grantor grants, pledges and assigns to Administrative Agent for the benefit of the Lenders a security interest in, among other assets, the Intellectual Property (as defined in the Loan Agreement) owned by Grantor.

C. Grantor has duly authorized the execution, delivery and performance of this Agreement.

NOW THEREFORE, for good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged), and in order to induce Lenders to extend credit to Borrower pursuant to the Loan Agreement, Grantor agrees, for the benefit of Administrative Agent, as follows:

Section 1. Definitions. Unless the context otherwise requires, each capitalized term used but not otherwise defined herein has the meaning ascribed thereto in the Loan Agreement.

Section 2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure the prompt payment and performance when due of all of the Obligations, Grantor hereby grants, pledges and assigns a security interest to Administrative Agent in and to, all of the following, whether now owned or hereafter acquired (collectively, the "*Trademark Collateral*"):

(a) all trademarks, trade names, corporate names, business names, trade styles, service marks, logos, other source or business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of like nature (whether registered or unregistered), all registrations and recordings thereof, and all applications in connection therewith, including all registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State or Territory thereof, or any other country or any political subdivision thereof, including without limitation those trademarks listed on **Schedule A** attached hereto and the goodwill associated

therewith (all of the foregoing are sometimes hereinafter individually and/or collectively referred to as the "*Trademarks*"); and

(b) all rights under or interest in any trademark license agreements with any other party, whether Grantor is a licensee or licensor under any such license agreement, to the extent a grant of a security interest in and to any such license agreement would not result in a breach or violation of such license agreement (all of the foregoing are hereinafter referred to collectively as the "*Trademark Licenses*"); and

(c) all income, royalties, damages, payments and proceeds at any time due or payable to Grantor or asserted for the benefit of Grantor under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. New Trademarks. If, before the Obligations shall have been paid in full, Grantor shall obtain rights to any new Trademarks or Trademark Licenses, the provisions of **Section 2** shall automatically apply thereto. Grantor shall promptly update **Schedule A** attached hereto as necessary, but no more frequently than once per fiscal quarter, and Grantor shall provide written notice to Administrative Agent of such updates on a fiscal quarterly basis. Grantor authorizes Administrative Agent to modify this Agreement by amending **Schedule A** attached hereto to reflect such updates.

Section 4. Administrative Agent's Right to Sue. Grantor shall have the right to bring any opposition proceedings, cancellation proceedings, or lawsuit in its own name to enforce or protect the Trademarks, provided that during the continuance of an Event of Default, Grantor shall seek the prior written consent of Administrative Agent, which will not be unreasonably withheld, in which event Administrative Agent may, if necessary, be joined as a nominal party to such suit if Administrative Agent shall have been satisfied that it is not thereby incurring any risk of liability because of such joinder. Grantor hereby agrees that, notwithstanding anything to the contrary contained herein or in the Loan Documents, as between Grantor and Administrative Agent, Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with all or any of the Trademark Collateral so long as Grantor is the owner of such Trademark Collateral. Grantor shall promptly, upon demand, reimburse and indemnify Administrative Agent for all damages, costs, and expenses, including attorneys' fees, incurred by Administrative Agent in the fulfillment of the provisions of this **Section 4**.

Section 5. Loan Agreement. This Agreement has been executed and delivered by Grantor for the purpose of registering the security interest of Administrative Agent in the Trademark Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to Lenders under the Loan Agreement. The Loan Agreement (and all rights and remedies of each Lender thereunder) shall remain in full force and effect in accordance with its terms and are incorporated herein by this reference.

Section 6. Release of Security Interest. Upon the payment in full of the Obligations, the Trademark Collateral shall be released from the security interest granted hereby and in the Loan Agreement and all obligations of Grantor hereunder shall terminate, all without delivery of any

instrument or performance of any act by any party, and all right, title and interest in and to the Trademark Collateral shall revert to Grantor. At the request and expense of Grantor, Administrative Agent shall promptly execute and deliver to Grantor all instruments and other documents as may be reasonably necessary to release the security interest in and to the Trademark Collateral that has been granted hereunder.

Section 7. Acknowledgment. Grantor does hereby further acknowledge and affirm that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated herein by this reference.

Section 8. Loan Document. This Agreement is a Loan Document executed pursuant to the Loan Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Loan Agreement.

Section 9. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.
