GRANT OF SECURITY INTEREST
PATENTS AND TRADEMARKS

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, CEQUINT, INC., a Washington corporation (the "Grantor"), with principal offices at 1011 Western Avenue, Suite 800, Seattle, Washington, 98104, hereby pledges and grants to SUNTRUST BANK, as Administrative Agent (the "Grantee") with principal offices at 303 Peachtree Street, N.E., 25th Floor, Atlanta, Georgia 30308, a security interest in (A) (i) all United States and foreign trademarks, trade names, corporate names, company names, business names, domain names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, or otherwise, all common-law rights related thereto, including, without limitation, any registrations and applications for registrations in respect of the foregoing, and all goodwill of the business connected with the use of or symbolized by any of the foregoing, (ii) the right to obtain all renewals thereof and (iii) the right to sue for past, present or future infringement and dilutions thereof (the "Trademarks"), each as set forth on Schedule A attached hereto and all reissues, extensions or renewals thereof, (B) all written agreements providing for the grant by or to any Grantor of any right to use any Trademark (the "Trademark Licenses"), each as set forth on Schedule A attached hereto and all reissues, extensions or renewals thereof, (C) (i) all letters patent of the United States, any other country or any political subdivision thereof, all reissues and extensions thereof, (ii) all applications for letters patent of the United States, any other country or any political subdivision thereof, and all reissues, divisionals, continuations and continuations in part, renewal applications and all renewals thereof, (iii) all rights to obtain any reissues, reexaminations or extensions of the foregoing and (iv) the right to sue for past, present and future infringements thereof (the "Patents"), as set forth on Schedule B attached hereto and all reissues, continuations, continuations-in-part and extensions thereof, and (D) all written agreements providing for the grant by or to any Grantor of any right to manufacture, use, sell or otherwise exploit any invention covered in whole or in part by a Patent (the "Patent Licenses") as set forth on Schedule B attached hereto and all reissues, continuations, continuations-in-part and extensions thereof, in each case of the foregoing, together with all Proceeds (as such term is defined in the First Lien Guarantee and Collateral Agreement referred to below) of the Trademarks and Patents, the goodwill of the businesses with which the Trademarks are associated, and all causes of action arising prior to or after the date hereof for infringement of any of the Trademarks and Patents or unfair competition regarding the same.

THIS GRANT OF SECURITY INTEREST (this "Grant"), is made to secure the satisfactory performance and payment of all the "Secured Obligations" of the Grantor, as such term is defined in the First Lien Guarantee and Collateral Agreement made by the Grantor and the other grantors from time to time party thereto in favor of the Grantee, dated as of February 15, 2013 (as the same may be amended, restated, modified and/or supplemented from time to time, the "First Lien Guarantee and Collateral Agreement").

This Grant has been granted in conjunction with the security interest granted to the Grantee under the First Lien Guarantee and Collateral Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are more fully set forth in the First Lien Guarantee and Collateral Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant are deemed to conflict with the First Lien Guarantee and Collateral Agreement, the provisions of the First Lien Guarantee and Collateral Agreement shall govern. This Grant may be executed in counterparts and by the different parties hereto on separate counterparts, but all of which shall together constitute one and the same instrument. Delivery of an

executed counterpart of this Agreement by facsimile or other electronic method of transmission shall be equally effective as delivery of an original executed counterpart.

This Grant shall be governed by the laws of the State of New York.
