INTELLECTUAL PROPERTY ASSIGNMENT AND LICENSE AGREEMENT

This Intellectual Property Assignment and License Agreement (“**Agreement**”), effective as of February 4, 2013 (“**Effective Date**”), is between Wabash National L.P., a Delaware limited partnership (“**Buyer**”), and Beall Corporation, an Oregon corporation (“**Seller**”). Buyer and Seller are each referred to as a “**Party**” and collectively as the “**Parties**.”

1. **Definitions.** Unless otherwise defined in this Agreement, terms that are capitalized in this Agreement will be defined as set forth below:

1.1. “**Business**” has the meaning assigned to it in that certain Asset Purchase Agreement among Buyer, Seller, Sector Corporation and St. Johns Corporation dated as of January 24, 2013 (the “**Purchase Agreement**”).

1.2. “**Intellectual Property Rights**” has the meaning assigned to it in the Purchase Agreement.

2. **Assignment.** For good and valuable consideration, receipt of which is hereby acknowledged, Seller irrevocably assigns exclusively to Buyer all of Seller's present and future right, title and interest in and to the Intellectual Property Rights used in or held for use in the conduct of the Business, except to the extent the foregoing constitutes Excluded Assets under the Purchase Agreement.

3. **License of Other Rights.** If Seller has any rights to the Intellectual Property Rights used in or held for use in the conduct of the Business that cannot be assigned to Buyer, Seller grants to Buyer, during the term of such rights, an exclusive, royalty-free, perpetual license to use such rights in connection with the operation of the Business or the business of Buyer and its Affiliates. All rights not granted to Buyer in this Agreement are expressly retained by Seller.

4. **Future Cooperation.** Upon Buyer's request, Seller will execute and deliver to Buyer all documents necessary to perfect Buyer's right, title and interest in and to the Intellectual Property Rights assigned under Section 2 above, both domestically and abroad. Seller hereby irrevocably designates and appoints Buyer and its duly authorized agents as Seller's attorney-in-fact, to act for and in its behalf to execute and file those documents if Buyer is unable, after reasonable effort, to secure Seller's assistance for any reason.

5. **Effect.** This Agreement is subject to all the terms and conditions of the Purchase Agreement. The Parties intend that this Agreement shall not modify the applicable terms and conditions of the Purchase Agreement, which governs the Parties' rights and interests in the Intellectual Property Rights.
