Grantor acknowledges and agrees that, to the extent permitted by applicable law, all of the Collateral shall remain personal property regardless of the manner of its attachment or affixation to real property.

(b) Transfers and Other Liens. Grantor shall not (i) sell, assign (by operation of law or otherwise) or otherwise dispose of, or grant any option with respect to, any of the Collateral, other than (a) in the ordinary course of business for fair value consistent with past practices before the date of this Agreement or (b) to the extent permitted by the Purchase Agreement or the Note(s); provided that no such sale, assignment, disposition or transfer of Investment Property or Instruments shall be permitted while any Event of Default exists; or (ii) create or permit to exist any Lien upon or with respect to any of the Collateral of Grantor, except for Permitted Liens. The inclusion of Proceeds in the Collateral shall not be deemed to constitute Secured Party's consent to any sale or other disposition of any of the Collateral except as expressly permitted in this Agreement or the other Transaction Documents.

(c) Other Actions as to Any and All Collateral. Grantor shall notify Secured Party in writing once every six months from the date of this Agreement of (i) any Collateral consisting of Trademarks, Patents, copyrights, Intellectual Property Licenses, Chattel Paper (electronic, tangible or otherwise), Documents, Promissory Notes, or Instruments, in which Grantor has acquired any right, title or interest in the previous six month period and (ii) any amount payable under or in connection with any of the Collateral being or becoming evidenced in such previous six month period by any Chattel Paper, Documents, Promissory Notes, or Instruments. Following such notice, in each such case upon the request of Secured Party, Grantor shall promptly execute such other documents, or if applicable, deliver such Chattel Paper or other documents and do such other acts or things deemed necessary or desirable by Secured Party to protect Secured Party's Security Interest therein.

7. Further Assurances.

(a) Grantor agrees that from time to time, at its own expense, Grantor will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or that Secured Party may reasonably request, in order to perfect and protect any Security Interest granted or purported to be granted hereby or to enable Secured Party to exercise and enforce its rights and remedies hereunder with respect to any of the Collateral.

(b) Grantor authorizes the filing by Secured Party of financing or continuation statements, or amendments thereto, and Grantor will execute and deliver to Secured Party such other instruments or notices, as may be necessary or as Secured Party may reasonably request, in order to perfect and preserve the Security Interest granted or purported to be granted hereby, including but not limited to such filings with the U.S. Patent and Trademark Office, U.S. Copyright Office and analogous foreign offices as the Secured Party may reasonably request.

(c) Grantor authorizes Secured Party at any time and from time to time to file, transmit or communicate, as applicable, financing statements and amendments (i) describing the Collateral as “all personal property of debtor” or “all assets of debtor” or words of similar effect, (ii) describing the Collateral as being of equal or lesser scope or with greater detail, or (iii) that contain any information required, or believed in good faith by the Secured Party to be required, by part 5 of Article 9 of the Code for the sufficiency of the financing statement or amendment or for filing office acceptance.

(d) Grantor acknowledges that it is not authorized to file any financing statement or amendment or termination statement with respect to any financing statement filed in connection with this Agreement without the prior written consent of Secured Party, subject to Grantor’s rights under Section 9-509(d)(2) of the Code.

8. Secured Party’s Right to Perform Contracts. Upon the occurrence and during the continuance of an Event of Default, Secured Party (or its designee) may proceed to perform any and all of the obligations of Grantor contained in any contract, lease or other agreement and exercise any and all rights of Grantor therein contained as fully as Grantor itself could.

9. Secured Party Appointed Attorney-in-Fact. Grantor hereby irrevocably appoints Secured Party its attorney-in-fact, with full authority in the place and stead of Grantor and in the name of Grantor or otherwise, at such time as an Event of Default has occurred and is continuing under any Note, to take any action and to execute any instrument which Secured Party may reasonably deem necessary or advisable to accomplish the purposes of this Agreement, including:

(a) to ask, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in connection with the Accounts or any other Collateral of Grantor;

(b) to receive, indorse and collect any drafts or other Instruments, Documents, Promissory Notes, letters of credit or Chattel Paper;

(c) to file any claims or take any action or institute any proceedings which Secured Party may deem necessary or desirable for the collection of any of the Collateral of Grantor or otherwise to enforce the rights of Secured Party with respect to any of the Collateral;

(d) to repair, alter or supply goods, if any, necessary to fulfill in whole or in part the purchase order of any Person obligated to Grantor in respect of any Account of Grantor;

(e) to use any labels, Patents, Trademarks, trade names, URLs, domain names, industrial designs, copyrights, advertising matter or other industrial or intellectual property rights, in advertising for sale and selling Inventory and other Collateral and to collect any amounts due under Accounts, contracts, General Intangibles, Promissory Notes, letters of credit or Instruments of Grantor; and

Secured Party shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Trademarks, Patents, copyrights and Intellectual Property Licenses and, if Secured Party shall commence any such suit, Grantor shall, at the request of Secured Party, do any and all lawful acts and execute any and all proper documents reasonably required by Secured Party in aid of such enforcement.

To the extent permitted by law, Grantor hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until this Agreement is terminated.

10. Secured Party May Perform. If Grantor fails to perform any agreement contained herein, Secured Party may itself perform, or cause performance of, such agreement, and the reasonable expenses of Secured Party incurred in connection therewith shall be payable by Grantor.

11. Secured Party's Duties. The powers conferred on Secured Party hereunder are solely to protect Secured Party's interest in the Collateral and shall not impose any duty upon Secured Party to exercise any such powers. Except for the safe custody of any Collateral in its actual possession and the accounting for moneys actually received by it hereunder, Secured Party shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its actual possession if such Collateral is accorded treatment substantially equal to that which Secured Party accords its own property of a like nature.

12. Collection of Accounts, General Intangibles, Promissory Notes, Letters of Credit and Instruments. At any time upon the occurrence and during the continuation of an Event of Default, Secured Party or Secured Party's designee may (a) notify Account Debtors of Grantor that the Accounts, General Intangibles, Chattel Paper, Promissory Notes, letters of credit or Instruments have been assigned to Secured Party or that Secured Party has a security interest therein, and (b) collect the Accounts, General Intangibles, Promissory Notes, letters of credit and Instruments directly, and any collection costs and expenses shall constitute part of Grantor's Secured Obligations under the Transaction Documents.

13. Remedies. Upon the occurrence and during the continuance of an Event of Default:

(a) Secured Party may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein, in the other Transaction Documents, or otherwise available to it, all the rights and remedies of a secured party on default under the Code or any other applicable law. Without limiting the generality of the foregoing, Grantor expressly agrees that, in any such event, Secured Party without demand of performance or other demand, advertisement or notice of any kind (except a notice specified below of time and place of public or private sale) to or upon Grantor or any other Person (all and each of which demands, advertisements and notices are hereby expressly waived to the maximum extent permitted by the Code or any other applicable law), may, but only without breach of the peace, take immediate possession of all or any portion of the Collateral and (i) require Grantor to, and Grantor hereby agrees that it will at its own expense and upon request of Secured Party forthwith, assemble all or part of the Collateral as directed by Secured Party and make it available to Secured Party at one or more locations where Grantor regularly maintains Inventory, and (ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of Secured Party's offices or elsewhere, for cash, on credit, and upon commercially reasonable terms. Grantor agrees that, to the extent notice of sale shall be required by law, at least 10 days notice to Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification and specifically such notice shall constitute a reasonable "authenticated notification of disposition" within the meaning of Section 9-611 of the Code. Secured Party shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) Secured Party is hereby granted a license or other right to use, without liability for royalties or any other charge, Grantor's labels, Patents, copyrights, rights of use of any name, trade secrets, trade names, Trademarks, service marks and advertising matter, URLs, domain names, industrial designs, other industrial or intellectual property or any property of a similar nature, whether owned by Grantor or with respect to which Grantor has rights under license, sublicense, or other agreements, as it pertains to the Collateral, in preparing for sale, advertising for sale and selling any Collateral, and Grantor's rights under all licenses and all franchise agreements shall inure to the benefit of Secured Party.

(c) Any cash held by Secured Party as Collateral and all cash Proceeds received by Secured Party in respect of any sale of, collection from, or other realization upon all or any part of the Collateral shall be applied against the Secured Obligations. In the event the Proceeds of Collateral are insufficient to satisfy all of the Secured Obligations in full, Grantor shall remain liable for any such deficiency. In the event the Proceeds of Collateral are in excess of the amount necessary to satisfy all of the Secured Obligations in full, Secured Party shall promptly pay such excess to Grantor, and all

obligations under the Transaction Documents shall be considered satisfied and therefore cease.

(d) Grantor hereby acknowledges that the Secured Obligations arose out of a commercial transaction, and agrees that if an Event of Default shall occur and be continuing, Secured Party shall have the right to an immediate writ of possession without notice of a hearing. Secured Party shall have the right (to the extent and in the manner provided by applicable law) to the appointment of a receiver for the properties and assets of Grantor, and Grantor hereby consents to such rights and such appointment and hereby waives any objection Grantor may have thereto or the right to have a bond or other security posted by Secured Party.

14. Remedies Cumulative. Each right, power and remedy of Secured Party as provided for in this Agreement or in the other Transaction Documents or now or hereafter existing at law or in equity or by statute or otherwise shall be cumulative and concurrent and shall be in addition to every other right, power or remedy provided for in this Agreement or in the other Transaction Documents or now or hereafter existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by Secured Party, of any one or more of such rights, powers or remedies shall not preclude the simultaneous or later exercise by Secured Party of any or all such other rights, powers or remedies.

15. Marshaling. Secured Party shall not be required to marshal any present or future collateral security (including but not limited to the Collateral) for, or other assurances of payment of, the Secured Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of its rights and remedies hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights and remedies, however existing or arising. To the extent that it lawfully may, Grantor hereby agrees that it will not invoke any law relating to the marshaling of collateral which might cause delay in or impede the enforcement of Secured Party's rights and remedies under this Agreement or under any other instrument creating or evidencing any of the Secured Obligations or under which any of the Secured Obligations is outstanding or by which any of the Secured Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, Grantor hereby irrevocably waives the benefits of all such laws.

16. Indemnity and Expenses.

(a) Grantor agrees to indemnify Secured Party from and against all claims, lawsuits and liabilities (including reasonable attorneys fees) growing out of or resulting from this Agreement (including enforcement of this Agreement) or any other Transaction Document to which such Grantor is a party, except claims, losses or liabilities resulting from the gross negligence or willful misconduct of the party seeking indemnification as determined by a final non-appealable order of a court of competent jurisdiction. This provision shall survive the termination of this Agreement, the Note and the repayment of the Secured Obligations.

(b) Grantor shall, upon demand, pay to Secured Party all expenses incurred by Secured Party in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or, upon an Event of Default, the sale of, collection from, or other realization upon, any of the Collateral in accordance with this Agreement and the other Transaction Documents, (iii) the exercise or enforcement of any of the rights of Secured Party hereunder and (iv) the failure by Grantor to perform or observe any of the provisions hereof.

17. Merger, Amendments; Etc. THIS WRITTEN AGREEMENT, TOGETHER WITH THE OTHER TRANSACTION DOCUMENTS, REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES. No waiver of any provision of this Agreement, and no consent to any departure by Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by Secured Party, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No amendment of any provision of this Agreement shall be effective unless the same shall be in writing and signed by Secured Party and Grantor to which such amendment applies.

18. Addresses for Notices. All notices and other communications provided for hereunder shall be given in accordance with the notice provisions in the Purchase Agreement.

19. Continuing Security Interest: Assignments. This Agreement shall create a continuing security interest in the Collateral and shall (a) remain in full force and effect until the Obligations have been paid in full in cash in accordance with the provisions of the Note(s), (b) be binding upon Grantor, and its respective successors and assigns and (c) inure to the benefit of, and be enforceable by, Secured Party, and its successors, transferees and assigns. Without limiting the generality of the foregoing clause (c), Secured Party may, in accordance with the provisions of the Note(s), assign or otherwise transfer all or any portion of its rights and obligations under the Note(s) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to Secured Party. Upon payment in full in cash of the Obligations in accordance with the provisions of the Note(s), the Security Interest granted hereby shall terminate and all rights to the Collateral shall revert to Grantor or any other Person entitled thereto. At such time, Secured Party will authorize the filing of appropriate termination statements to terminate the Security Interest. No transfer or renewal, extension, assignment or termination of this Agreement, any other Transaction Documents, or any other instrument or document executed and delivered by Grantor to Secured Party nor any additional notes or other loans made by any the Secured Party to Grantor, nor the taking of further security, nor the retaking or re-delivery of the Collateral to Grantor by Secured Party, nor any other act of Secured Party, shall release Grantor from any obligation, except a release or discharge executed in writing by Secured Party. Secured Party shall not by any act, delay, omission or otherwise, be deemed to have waived any of its rights or remedies hereunder, unless such waiver is in writing and

signed by Secured Party and then only to the extent therein set forth. A waiver by Secured Party of any right or remedy on any occasion shall not be construed as a bar to the exercise of any such right or remedy which Secured Party would otherwise have had on any other occasion.

20. Governing Law; Jurisdiction and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard to principles of conflict of laws. The Company and the Investor irrevocably and unconditionally consent to submit to the exclusive jurisdiction of the United States District Court for the Southern District of New York for any actions, suits or proceedings arising out of or relating to this Agreement and the transactions contemplated hereby (and such party agrees not to commence any action, suit or proceeding relating thereto except in such court.
