**TERMINATION OF
SECURITY INTEREST IN TRADEMARKS**

This Termination of Security Interest in Trademarks (the "**Termination**") is executed by FirstMerit Bank, N.A., an Ohio national association (successor-in-interest to First Bank Business Capital, Inc.) (the "**Secured Party**"), in favor of J-B Weld Company, LLC, a Colorado limited liability company (the "**Debtor**"), and is effective as of February 6, 2013.

RECITALS

A. Debtor and the Secured Party's predecessor in interest, entered into a certain Trademark Security Agreement, dated as of December 29, 2008, as amended (the "**Agreement**") whereby Debtor granted to the Secured Party a security interest in Debtor's entire right, title and interest in and to the Trademark Collateral as set forth on **Schedule A** (the "**Trademarks**").

B. The grants of security interests in the Trademarks relating to the Agreement were filed with the U.S. Patent and Trademark Office on December 29, 2008 and December 31, 2008 and subsequently assigned to the Secured Party on April 11, 2010.

C. Debtor has repaid all amounts due under the Agreement.

The Secured Party therefore expressly terminates its security interest in the Trademarks.

IN WITNESS WHEREOF, this Termination is executed as of the date first above written.
