TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (this "Assignment") is made as of October 12, 2012 (the "Effective Date") by and between OpSec Security Group, Inc., a Colorado corporation (the "Assignee"), and JDS Uniphase Corporation, a Delaware corporation ("Assignor"). Capitalized terms used in this Assignment shall have the meanings specified in the Asset Purchase Agreement (defined below) unless otherwise expressly defined herein.

WHEREAS, subject to the terms and conditions of that certain Asset Purchase Agreement (the "Asset Purchase Agreement"), dated as of September 18, 2012, between OpSec Security, Inc., a Colorado corporation and wholly-owned subsidiary of the Assignee, the Assignor and, for certain limited purposes, OpSec Security Group plc, a limited company organized under the laws of England and Wales, the Assignor has agreed to transfer to the Assignee the trademarks set forth on Exhibit A (collectively, the "Trademarks") held by Assignor.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Assignment of Trademarks. On the terms and subject to the conditions of the Asset Purchase Agreement, the Assignor does hereby sell, transfer, convey and deliver to the Assignee free and clear of all Encumbrances (other than Permitted Encumbrances) all of its right, title and interest in, to and under the Trademarks, and all goodwill associated therewith, including the right to enforce such Trademarks and the right to recover for damages and profits for past, present and future infringements thereof. The Assignee does hereby accept all of the right, title and interest of the Assignor in, to and under all of the Trademarks, and all goodwill associated therewith. Assignor does further consent to the recordation of this Assignment in both the United States Patent and Trademark Office and in foreign trademark offices.

2. Governing Law. This Assignment shall be governed by, and construed and enforced in accordance with the laws of the State of Delaware.

3. Successors. All of the terms and provisions of this Assignment shall be binding on, and shall inure to the benefit of, the respective legal successors and permitted assigns of the parties.

4. No Benefits to Others. The covenants and agreements contained in this Assignment are for the sole benefit of the parties hereto and their respective successors and permitted assigns and shall not be construed as conferring and are not intended to confer any rights on any other persons.

5. Further Assurances. Assignor agrees, without further consideration, to execute all reasonable oaths, assignments, powers of attorney, applications, and other papers reasonably necessary or desirable to fully secure to Assignee the right, title and interest conveyed herein, and to take such further actions as may be reasonably requested by Assignee in order to carry out the provisions and purposes of this Assignment including, without limitation, to execute one or

more further assignments covering the Trademarks in a form acceptable for recordation in both the United States Patent and Trademark Office and in foreign trademark offices.

6. Purchase Agreement Controls. This Assignment shall be subject to the terms and conditions set forth in the Asset Purchase Agreement and nothing contained in this Assignment shall be construed to limit, restrict, modify, alter, amend or otherwise change in any manner the rights and obligations of the parties to the Asset Purchase Agreement under the Asset Purchase Agreement. In the event that any provision of this Assignment is construed to conflict with a provision in the Asset Purchase Agreement, the provision in the Asset Purchase Agreement shall control.

7. Counterparts. This Assignment may be executed in counterparts, each of which may be deemed an original but together shall constitute but one and the same instrument. Such counterparts may be executed and delivered by facsimile or other electronic means by any of the parties, and the receiving party may rely on the receipt of such document so executed and delivered as if the original had been received.

[SIGNATURES APPEAR ON FOLLOWING PAGE]

IN WITNESS WHEREOF, the parties have caused Trademark Assignment Agreement to be duly executed by their respective authorized officers on the Effective Date.
