**ASSIGNMENT OF TRADEMARKS, SERVICE MARKS AND
INTELLECTUAL PROPERTY**

This Assignment of Trademarks and Servicemarks (this "Assignment") is made as of March 8, 2010, (the "Assignment Date") by LEE MIDDLETON ORIGINAL DOLLS, INC., a Wisconsin corporation ("Assignor"), to ALEXANDER DOLL COMPANY, INC., a Delaware corporation ("Assignee"). Each capitalized term used but not defined in this Assignment has the meaning assigned to such term in the Asset Purchase Agreement, dated March 8, 2010, among Assignor and Assignee (the "Purchase Agreement").

WHEREAS, pursuant to the Purchase Agreement, Assignor agreed to assign, transfer, convey and deliver to Assignee the Purchased Assets, including, without limitation, all of Assignor's right, title and interest in, to and under the Marks (as defined below); and

WHEREAS, the obligation of Assignee to consummate the transaction contemplated by the Purchase Agreement is conditioned in part on the execution and delivery of this Assignment; and

WHEREAS, Assignor desires to assign, transfer, convey and deliver to Assignee, and Assignee desires to accept the assignment, transfer, conveyance and delivery of, all of Assignor's worldwide right, title and interest in, to and under the Marks.

NOW, THEREFORE, in consideration of the consummation of the transaction contemplated in the Purchase Agreement and other good and valuable consideration paid by Assignee to Assignor, Assignor assigns, transfers, conveys and delivers to Assignee (a) all of Assignor's worldwide right, title and interest in, to and under Assignor's domestic and foreign servicemarks, trademarks, trademark applications and trade names (together, the "Marks"), including, without limitation, the servicemarks, trademarks, servicemark and trademark applications and trade names listed on Schedule A hereto, (b) the goodwill of the business associated with the Marks and which is symbolized thereby, (c) all rights to sue for infringement of any Mark, whether arising prior to or subsequent to the Assignment Date, (d) all rights to receive income or payments with respect to the Marks and (e) any and all renewals and extensions of the Marks that may hereafter be secured under the laws now or hereafter in effect in the United States or in any other jurisdiction. The foregoing will be held and enjoyed by Assignee, its successors and assigns from and after the Assignment Date as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

Assignor shall execute or cause to be delivered to Assignee such instruments and other documents, and shall take such other actions, as Assignee may request after the Assignment Date, for the purpose of carrying out or evidencing the assignment of the Marks pursuant to this Assignment.

In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms of this Assignment, the terms of the Purchase Agreement shall govern.

Except to the extent that federal law preempts state law with respect to the matters covered by this Assignment, this Assignment shall be construed in accordance with, and governed in all respects by, the internal laws of the State of New York, without giving effect to principles of conflict of laws.

Assignor has caused this Assignment to be duly executed and delivered to Assignee as of the Assignment Date.
