TRADE-MARK ASSIGNMENT

THIS TRADE-MARK ASSIGNMENT (the "**Assignment**") is made and entered into as of March 20, 2013 (the "**Effective Date**") by and between Corporate Responsibility System Technologies Ltd., having its principal place of business at 11 Curity Avenue, Toronto, Ontario, M4B 1X4 ("**Assignor**") and Thomson Reuters Canada Limited, with its principal office at 333 Bay St., Suite 400, P.O. Box 11, Toronto, Ontario, M5H 2R2 ("**Assignee**").

The Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor all rights at common law and all rights under statute in and to the trade-marks listed in Schedule "A", together with the goodwill of the business associated therewith (collectively, the "**Marks**").

NOW THEREFORE for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee the entire right, title and interest in and to the Marks, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of Canada, the United States, the United Kingdom or any other jurisdiction in which the Marks may be registered, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby requests the Registrar of Trade-marks in Canada, the Commissioner of Patents and Trademarks in the United States, the UK Intellectual Property Office in the United Kingdom, and any other registrar or office in any other jurisdiction in which the Marks may be registered to record Assignee as the assignee and owner of the Marks.

Assignor will, at Assignee's expense, take all further actions, and provide to Assignee, Assignee's successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimen, assignments, powers of attorney or other documentation), reasonably requested by Assignee to more fully and effectively carry out the purposes of this Assignment, namely the implementation or perfection of this Assignment.

This Assignment may be signed in counterparts and each of such counterparts shall constitute an original document and such counterparts, taken together, shall constitute one and the same instrument. A party's transmission by facsimile or other electronic communication of this Assignment duly executed by that party shall constitute effective delivery by that party of an executed copy of this Assignment.

This Assignment shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.
