RECITALS

A. Contributor intends to assign and contribute to the Company: (i) certain intellectual property rights as more fully described in Schedule A, (the "**Assigned IP**") and (ii) certain other assets used in the business of the Company as well as the liabilities and obligations related to such assets as more fully described in Schedule B, (the "**NHance Business**") (collectively, the "**Contributed Business**"). Assets used in the business of the Company that will not be transferred are fully described in Schedule C, (the "**Excluded Assets**"). The Company intends to acquire the Contributed Business in exchange for issuance of shares of its common stock, par value \$0.01 per share (the "**Stock**").

B. The transfer of the Contributed Business is intended to qualify for the treatment provided in Section 351 of the Internal Revenue Code of 1986, as amended (the "**Code**").

NOW, THEREFORE, in consideration of these premises and the mutual promises and covenants hereinafter set forth and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I CONTRIBUTION OF ASSETS

1.1 Asset Contribution. At the Closing (as defined in Section 1.4 below), Contributor shall assign, transfer, convey and deliver, free and clear of all liens (other than Permitted Liens (as defined in Section 2.1(b) below)), to the Company and the Company shall accept all of Contributor's right, title and interest in, and to all of the Contributed Business as a capital contribution of Contributor to the Company and the Company shall so record such contribution on its books.

1.2 Assumption of Liabilities. The Company shall assume only those debts, liabilities and obligations of the Contributor related to the Contributed Business arising after the Closing Date; provided, however, the Company shall assume those debt, liabilities and obligations described in Schedule B.

1.3 Consideration for the Contributed Business. As consideration for the transfer of the Contributed Business, and for the performance by the Contributor of its covenants in accordance with this Agreement, the Company agrees to issue and deliver to the Contributor one thousand (1,000) shares of Common Stock of the Company.

1.4 Closing. The closing of the contribution and assignment of the Contributed Business (the "**Closing**") will take place at 10:00 a.m. local time at the offices of Contributor on the date hereof (such date of the Closing is hereinafter referred to as the "**Closing Date**").

1.5 Closing Deliveries. At the Closing: (i) Contributor will deliver to the Company the various certificates, instruments and documents required by Section 3.1 below; (ii) the Company will deliver to Contributor the various certificates, instruments and documents required by Section 3.2 below; and (iii) Contributor will execute, acknowledge and deliver to the Company any such other instruments of sale, transfer, conveyance and assignment as the Company may reasonably request.

2.1 Representations and Warranties of Contributor. Contributor represents and warrants to the Company as follows:

(a) Authority and Binding Obligation. Contributor has all requisite power and authority to enter into and perform its obligations under this Agreement and to carry out the transactions contemplated hereby. The execution, delivery and performance of this Agreement by Contributor and the consummation by Contributor of the Transactions have been duly authorized by all necessary corporate action on the part of Contributor. This Agreement has been duly executed and delivered by Contributor and constitutes a valid and binding obligation of Contributor enforceable in accordance with its terms, except as such enforcement may be limited by general equitable principles or by applicable bankruptcy, insolvency, moratorium, or similar laws and judicial decisions from time to time in effect which affect creditors' rights generally.

(b) Title to Assets. Contributor has good and marketable title to the Contributed Business, free and clear of any and all Liens and restrictions on transfer, other than Permitted Liens. This Agreement has been duly executed and delivered by the Company and constitutes a valid and binding obligation of the Company enforceable in accordance with its terms, except as such enforcement may be limited by general equitable principles or by applicable bankruptcy, insolvency, moratorium, or similar laws and judicial decisions from time to time in effect which affect creditors' rights generally.

(b) Representations Regarding the Stock. All corporate action on the part of the Company, its officers, directors and shareholders necessary for the authorization and creation of the Stock, for the issuance and transfer of the Stock have been or will be taken prior to the Closing. The Stock, when issued in compliance with the provisions of this Agreement, will be validly issued, fully paid and non assessable and issued in compliance with all applicable state and federal securities laws; provided, however, that the Stock may be subject to restrictions on transfer under state and/or federal securities laws at the time a transfer is proposed. (c) Securities Act. The offer, sale and issuance of the shares of Stock in conformity with the terms of this Agreement constitutes or will constitute a transaction exempt from the registration requirements of the Securities Act of 1933, as amended, and the qualification or registration requirements of the securities laws of Delaware or other applicable blue sky laws as such laws exist on the date hereof.

ARTICLE III CLOSING DELIVERABLES
