EXECUTION COPY

GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of March 22, 2013 is made by The Sun Products Corporation, a Delaware corporation, located at 60 Danbury Road Wilton, CT 06897 (the "Borrower"), in favor of JPMorgan Chase Bank, N.A., as Administrative Agent (the "Agent") for the several banks and other financial institutions (the "Lenders"), parties to the Credit Agreement, dated as of March 22, 2013 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Spotless Holding Corp., a Delaware corporation ("Holdings"), Spotless Acquisition Corp., a Delaware corporation ("AcquiCo"), and the Borrower, the Lenders, the Agent, and Barclays Bank, PLC, as Syndication Agent.

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Credit Agreement, the Borrower has executed and delivered a Guarantee and Security Agreement, dated as of March 22, 2013, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Guarantee and Security Agreement");

WHEREAS, pursuant to the Guarantee and Security Agreement, the Borrower pledged and granted to the Agent for the benefit of the Agent and the Lenders a continuing security interest in all Intellectual Property, including the Trademarks; and

WHEREAS, the Borrower has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrower pursuant to the Credit Agreement, the Borrower agrees, for the benefit of the Agent and the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Guarantee and Security Agreement.

SECTION 2. Grant of Security Interest. The Borrower hereby pledges and grants a continuing security interest in all of the Borrower's right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Collateral"), to the Agent for the benefit of the Agent and the Lenders to secure payment, performance and observance of the Obligations (subject, for the avoidance of doubt, to the exclusions for "intent to use" Trademark applications set forth in the definition of Excluded Assets in the Guarantee and Security Agreement).

SECTION 3. Purpose. This Agreement has been executed and delivered by the Borrower for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lenders in connection with the Guarantee and Security Agreement and is expressly subject to the terms and conditions thereof. The Guarantee and Security Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Borrower does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Guarantee and Security Agreement, the terms and provisions of which (including the remedies provided for therein) this Agreement is expressly subject. In the event of any conflict between the terms of this Agreement and the terms of the Guarantee and Security Agreement, the terms of the Guarantee and Security Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
