WHEREAS, the Agent and the Lenders are willing to make the Loans and the Issuing Bank is willing to issue Letters of Credit as provided for in the Credit Agreement, but only upon the condition, among others, that Grantor shall have executed and delivered to Administrative Agent, for the benefit of the Secured Parties, that certain Third Amended and Restated Security Agreement dated as of the date herewith (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, Grantor has authorized the Administrative Agent to file filings with the United States Patent and Trademark Office or United States Copyright Office (or any successor office or any similar office in any other country) or other documents for the purpose of perfecting, confirming, continuing, enforcing or protecting the security interest granted by Grantor thereunder, without the signature of Grantor, naming Grantor, as debtor, and the Administrative Agent, as secured party;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement or the Security Agreement, as applicable.

“Trademark License” means rights under any written agreement now owned or hereafter acquired by Grantor granting any right to use any Trademark.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. As collateral security for the payment and performance in full of all Secured Obligations (as defined in the Security Agreement), Grantor hereby grants to Administrative Agent, on behalf of the Secured Parties, a continuing security interest in all of Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “Trademark Collateral”), except to the extent such a security interest is prohibited without the consent of third party or would otherwise result in loss by any Loan Party of any material rights therein:

(a) all of its Trademarks and Trademark Licenses to which it is a party including those referred to on Schedule I hereto;

(b) all reissues, continuations or extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and

(d) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or Trademark licensed under any Trademark License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License.

Notwithstanding anything to the contrary contained in clauses (a) through (d) above, the security interest created by this Agreement shall not extend to, and the term “Trademark Collateral” shall not include, any Excluded Property (as defined in the Security Agreement).

3. SECURITY AGREEMENT. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to Administrative Agent, on behalf of the Secured Parties, pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. AMENDMENT AND RESTATEMENT. This Agreement amends and restates in its entirety the Existing Trademark Security Agreement.

5. TERMINATION. This Agreement shall terminate and the Trademark Collateral shall be released from the liens and security interest of this Agreement in accordance with the

provisions of the Security Agreement, and upon such termination the Administrative Agent shall, upon the request and at the sole cost and expense of the Grantor, assign, transfer and deliver to Grantor, against receipt and without recourse to or warranty by the Administrative Agent except as to the fact that the Administrative Agent has not encumbered the released assets, proper documents and instruments (including terminations or releases) acknowledging the termination hereof or the release of Administrative Agent's liens and security interests hereunder, as the case may be.

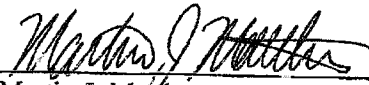

6. Notwithstanding anything herein to the contrary, the Liens granted to the Administrative Agent under this Agreement and the exercise of the rights and remedies of the Administrative Agent hereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control as between the Administrative Agent and the Term Loan Agent.

7. Notwithstanding the foregoing, the Grantor expressly acknowledges and agrees that, notwithstanding the fact that the exercise of certain of the Administrative Agent's and the other Secured Parties' rights under this Agreement and the other Loan Documents may be subject to the Intercreditor Agreement, no action taken or not taken by the Administrative Agent or any other Secured Party in accordance with the terms of the Intercreditor Agreement shall constitute, or be deemed to constitute, a waiver by the Administrative Agent or any other Secured Party of any rights such Person has with respect to the Grantor under any Loan Document and nothing contained in the Intercreditor Agreement shall be deemed to modify any of the provisions of this Agreement, which, as among the Grantor and the Administrative Agent shall remain in full force and effect in accordance with its terms.
