SECOND LIEN TRADEMARK SHORT FORM SECURITY AGREEMENT dated as of April 10 2013, (this “**Agreement**”), among UTEX INDUSTRIES, INC., a Texas corporation and DURAQUEST, INC., a Texas corporation (the “**Grantors**” and each a “**Grantor**”), and BANK OF AMERICA, N.A., as collateral agent (in such capacity, the “**Collateral Agent**”).

Reference is made to (a) the Second Lien Security Agreement dated as of April 10, 2013 (as amended, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among UTEX HOLDING, INC., a Delaware corporation (“**Parent**”), RSH GAMMA HOLDINGS CORP., a Delaware corporation (the “**Initial Borrower**”), UTEX INDUSTRIES, INC., a Texas corporation (as assignee of the Initial Borrower’s rights and obligations hereunder on the Closing Date pursuant to the terms of the Borrower Assignment Agreement, the “**Borrower**”), the subsidiaries of Parent from time to time party thereto and the Collateral Agent and (b) the Second Lien Credit Agreement dated as of April 10, 2013 (as amended, supplemented or otherwise modified, refinanced and/or restated from time to time, the “**Credit Agreement**”), among the Borrower, Parent, the other Guarantors from time to time party thereto, the Collateral Agent, as Administrative Agent and Collateral Agent, each lender from time to time party thereto (collectively, the “**Lenders**” and individually, a “**Lender**”) and the other agents named therein. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. Each Grantor is an affiliate of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and is willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, including the Guaranty, each Grantor, pursuant to the Security Agreement, hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by each Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest under the laws of the United States; (collectively, the “**Trademark Collateral**”):

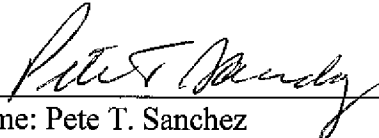

- (a) all trademarks, service marks, trade names, domain names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general indicators of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States, and all extensions or renewals thereof, including those listed on Schedule I (the “**Trademarks**”), and
- (b) all goodwill associated with or symbolized by the Trademarks excluding, in each case of (a) and (b) any intent-to-use application trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable law.

SECTION 3. Purpose. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

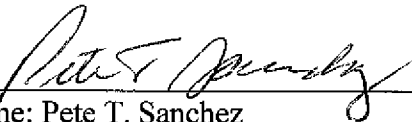

SECTION 4. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent pursuant to any Loan Document (including, without limitation, this Agreement) and the exercise of any right or remedy by the Collateral Agent hereunder or under any other Loan Document are subject to the provisions of the Intercreditor Agreement. Without limiting the generality of the foregoing, and notwithstanding anything herein to the contrary, all rights and remedies of the Collateral Agent (and the Administrative Agent and the Second Lien Lenders) shall be subject to the terms of the Intercreditor Agreement, and until the Discharge of First Lien Obligations, no Grantor shall be required hereunder or under any other Loan Document to take any action that is inconsistent with such Grantor's obligations under the First Lien Credit Facilities Documentation. Until the Discharge of First Lien Obligations, the Collateral Agent may not require any Grantor to take any action with respect to the creation, perfection or priority of its security interest, whether pursuant to the express terms hereof or of any other Loan Document or pursuant to the further assurances provisions hereof or any other Loan Document, unless the First Lien Collateral Agent shall have required such Grantor to take similar action, and delivery of any Collateral to the First Lien Collateral Agent pursuant to the First Lien Credit Facilities Documentation shall satisfy any delivery requirement hereunder or under any other Loan Document. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Intercreditor Agreement shall govern.
