**WHEREAS**, pursuant to the terms and conditions of that certain Supplemental Trademark Security Agreement by and between Debtor and Secured Party dated May 25, 2011 (the “Supplemental Trademark Security Agreement”), Debtor granted to Secured Party a continuing security interest in and to all of Debtor’s right, title and interest in and to the Trademark Collateral, including:

(i) Each trademark, trademark registration, and trademark application listed on Schedule A-1 hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration, and trademark application;

(ii) Each trademark license listed on Schedule A-2 hereto and all royalties and other sums due or to become due under or in respect of each such trademark license, together with the right to sue for and collect all such royalties and other sums; and

(iii) All proceeds of the foregoing, including without limitation any claim by Debtor against third parties for damages by reason of past, present or future infringement of any trademark or trademark registration listed on Schedule A-1 hereto or of any trademark licensed under a trademark license listed on Schedule A-2 or by reason of injury to the goodwill associated with any such trademark, trademark registration, or trademark license, in each case together with the right to sue for injunctive and other relief including collecting said damages;
