This AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT, dated as of April 19, 2013 (as amended, restated, supplemented or otherwise modified from time to time, this "Agreement"), is made by The GEO Group, Inc. ("GEO"), Cornell Companies, Inc. ("Cornell"), Geo Transport, Inc. ("Transport") and B.I. Incorporated ("BI", and together with GEO, Transport and Cornell, the "Grantors"), in favor of BNP Paribas, as administrative agent for the Secured Parties (in such capacity, the "Administrative Agent").

WHEREAS, GEO, GEO Corrections Holdings, Inc., the Lenders from time to time party thereto and the Administrative Agent have entered the Amended and Restated Credit Agreement, dated as of April 3, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"; all capitalized terms used and not defined herein shall have the meaning given thereto in the Credit Agreement or the applicable Security Document);

WHEREAS, the Grantors have entered the Amended and Restated Collateral Agreement, dated as of April 3, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among GEO, the Grantors and certain other subsidiaries of GEO and the Administrative Agent;

WHEREAS, pursuant to the Collateral Agreement, each of the Grantors has granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a continuing security interest in and all of such Grantor's rights in and to the Collateral, including all Patents and Patent Licenses, Trademarks and Trademark Licenses, and other Intellectual Property; and

WHEREAS, pursuant to the Collateral Agreement, each of the Grantors has agreed to execute and deliver this Agreement and such other documents or instruments as the Administrative Agent shall reasonably request.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors agree as follows:

1. Continuing Grant of Security Interest. Notwithstanding the amendment and restatement of the Existing Credit Agreement on the Restatement Effective Date pursuant to the Credit Agreement, each Grantor hereby confirms that the Intellectual Property Security Agreement dated as of March 11, 2011 (the "Existing IP Security Agreement"), executed by the Grantors (other than Transport) in favor of the Administrative Agent and all collateral described therein encumbered thereby will continue to secure, to the fullest extent permitted under applicable law and as contemplated by this Agreement and the Collateral Agreement, the payment and performance of the Obligations, whether now or hereafter existing under or in respect of the Credit Agreement or any other Loan Document. Each of the Grantors also hereby amends and restates its grant of security interest in its entirety as set forth in Section 2 below.

2. Grant of Security Interest. Each Grantor hereby grants to the Administrative Agent, for the ratable benefit of itself and the other Secured Parties, to the extent provided in the Collateral Agreement, a security interest and continuing lien on all of such Grantor's right, title and interest in and to the following, whether now owned or at any time hereafter acquired or arising or wherever located, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, but acceleration or otherwise) of the Obligations:

(a) all trademarks, rights and interests in trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications in connection therewith anywhere in the world, including, without limitation, those listed on Schedule 1 hereto;

(b) all reissues, extensions, continuations (in whole or in part) and renewals of any of the foregoing;

(c) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing, including, without limitation, damages or payments for past or future infringements of any of the foregoing;

(d) the right to sue for past, present and future infringements of any of the foregoing;

(e) all rights corresponding to any of the foregoing throughout the world; and

(f) any agreement now or hereafter in existence, whether written or oral, providing for the grant by or to any Grantor of any right to use any Trademark, including, without limitation, any of the foregoing referred to in Schedule 1.

3. Recordation. Each Grantor hereby authorizes and requests that the Commissioner of Trademarks and any other applicable government officer record this Agreement.

4. Execution in Counterparts. This Agreement may be executed in any number of counterparts (including by telecopy or by electronic transmission), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

5. Governing Law. This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of New York (including Section 5-1401 and Section 5-1402 of the General Obligations Law of the State of New York), without regard to the conflicts of law provisions of such state.

6. Conflict Provision. This Agreement has been entered into in conjunction with the provisions of the Collateral Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Collateral Agreement, all terms and provisions of which are incorporated herein in their entirety by this reference hereto. In the event that any provisions of this Agreement are in conflict with the Collateral Agreement or the Credit Agreement, the provisions of the Collateral Agreement or the Credit Agreement, as applicable, shall govern.

6. Amendment and Restatement. As of the date hereof, this Agreement, together with the Amended and Restated Patent Security Agreement and the Amended and Restated Copyright Security Agreement, each dated of even date herewith and executed by one or more of the Grantors, shall amend, and restate as amended, the Existing IP Security Agreement, but shall not constitute a novation thereof or in any way impair or otherwise affect the rights or obligations of the parties thereunder (including with respect to representations and warranties made thereunder) except as such rights or obligations are amended or modified hereby.
