TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT dated as of April 25, 2013 (this "**Agreement**"), is by and among CARLTON-BATES COMPANY, an Arkansas corporation, COMMUNICATIONS SUPPLY CORPORATION, a Connecticut corporation, CONNEY INVESTMENT HOLDINGS, LLC, a Delaware limited liability company, EECOL HOLDINGS LTD., an Alberta corporation, LIBERTY WIRE & CABLE, INC., a Delaware corporation, WESCO EQUITY CORPORATION, a Delaware corporation, WESCO DISTRIBUTION CANADA LP, an Ontario limited partnership ("**WESCO Canada LP**"), WESCO DISTRIBUTION, INC., a Delaware corporation (the "**Company**"), WESCO ENTERPRISES, INC., a Delaware corporation (each, a "**Grantor**" and collectively, the "**Grantors**"), and JPMORGAN CHASE BANK, N.A., as administrative agent (in such capacity, together with its successors and assigns, the "**Administrative Agent**").

Reference is made to (a) the Amended and Restated Pledge and Security Agreement dated as of December 12, 2012 (as it may be amended, restated, supplemented or otherwise modified from time to time, the "**US Security Agreement**"), among the Company, WESCO International, Inc., a Delaware corporation ("**Holdings**"), the other parties from time to time party thereto as "Grantors", and the Administrative Agent for the Lenders party to the Credit Agreement referred to below, (b) the Amended and Restated Canadian Pledge and Security Agreement dated as of December 12, 2012 (as it may be amended, restated, supplemented or otherwise modified from time to time, the "**Canadian Security Agreement**"), and together with the US Security Agreement, the "**Collateral Agreements**"), among WESCO Canada LP, the other parties from time to time party thereto as "Grantors", and the Administrative Agent for the Lenders party to the Credit Agreement referred to below, and (c) the Amended and Restated Credit Agreement dated as of December 12, 2012 (as amended, restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), among the Company, as a "US Borrower", the other US Borrowers party thereto, WESCO Canada LP, as a "Canadian Borrower", WDC Enterprises Inc., an Alberta corporation (together with WESCO Canada LP, the "**Canadian Borrowers**" and, together with the US Borrowers, the "**Borrowers**"), Holdings, the other US Loan Parties party thereto, the Canadian Loan Parties party thereto, the lenders from time to time party thereto (the "**Lenders**"), the Administrative Agent and JPMORGAN CHASE BANK, N.A., TORONTO BRANCH, as the Canadian Administrative Agent. The Lenders have agreed to extend credit to the Borrowers subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. Each Grantor (i) is either a Borrower or an affiliate of the Borrowers and will derive substantial benefits from the extensions of credit to the Borrowers pursuant to the Credit Agreement, and (ii) is willing to execute and deliver the respective Collateral Agreement and this Agreement to the Administrative Agent in order to induce the Lenders to extend such credit. Pursuant to the respective Collateral Agreement, each Grantor is required to execute and deliver this Agreement. Accordingly, the parties hereto agree as follows:

Section 1. Terms. Each capitalized term used but not defined in this Agreement has the meaning given or ascribed to it in the respective Collateral Agreement. The rules of

construction specified in Article I of each of the Collateral Agreements also apply to this Agreement.

Section 2. Grant of Security Interest. To secure the prompt and complete payment and performance of the Canadian Secured Obligations, each Grantor hereby pledges, assigns and grants to the Administrative Agent, on behalf of and for the ratable benefit of itself, the Canadian Administrative Agent and the Lenders, a security interest in all of its right, title and interest in, to and under the following property and other assets, whether now owned by or owing to, or hereafter acquired by or arising in favor of such Grantor (including under any trade name or derivations thereof), and whether owned or consigned by or to, or leased from or to, such Grantor, and regardless of where located (all of which will be collectively referred to as the "Trademark Collateral"):

(i) (a) all trademarks, service marks, certification marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, Internet domain names, other source or business identifiers, designs and general intangibles of like nature, whether statutory or common law and whether established or registered in the United States, Canada or any other country or any political subdivision thereof, (b) all registrations and recordings thereof, and applications filed in connection therewith, including in the United States Patent and Trademark Office (or any successor office thereof), the Canadian Intellectual Property Office (or any successor office thereof) or any similar offices in any State of the United States or any other country or any political subdivision thereof, including those listed on Schedule I, (c) all renewals thereof, (d) all goodwill associated therewith or symbolized thereby, (e) all other assets, rights, and interests that uniquely reflect or embody such goodwill, (f) all rights and privileges arising under applicable law with respect to the use of any of the foregoing, (g) all income, fees, royalties, damages and payments now or hereafter due and/or payable thereunder or with respect thereto, including damages, claims and payments for past, present or future infringements, dilutions or other violations thereof, (h) all rights to sue for past, present or future infringements, dilutions or other violations thereof, and (i) all rights corresponding thereto throughout the world; and

(ii) to the extent not included in the foregoing, all Proceeds and products of any and all of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing.

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include, and no Grantor shall be deemed to have granted a security interest in, any of such Grantor's right, title or interest in any United States "intent-to-use" application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, but only if and solely to the extent that the granting of the Security Interest in such application would result in the invalidation of such application or any resulting registration.

Section 3. Recordation. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the United States

Patent and Trademark Office or the Canadian Intellectual Property Office, as the case may be. Each Grantor authorizes and requests that the Commissioner of Trademarks at the United States Patent and Trademark Office and the Registrar of Trademarks at the Canadian Intellectual Property Office, as applicable, record this Agreement.

Section 4. Collateral Agreements. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Collateral Agreements. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreements, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreements, the terms of the applicable Collateral Agreement shall govern.

Section 5. Term. The term of this Agreement shall be coterminous with the term of the Collateral Agreements.

Section 6. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 8.22 of the Collateral Agreements. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 7. Further Assurances. Each Grantor further agrees to execute and deliver to the Administrative Agent any and all further documents and instruments, and do any and all further acts which the Administrative Agent (or the Administrative Agent's agents or designees) reasonably requests in order to confirm this grant of security interest in and to the Trademark Collateral.

Section 8. Applicable Law. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
