**Grant of Security Interest  
in United States Trademarks**

April 2, 2013

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, GREEN TREE SERVICING LLC, a limited liability company under the laws of Delaware (the "**Grantor**") with notice address at 1100 Landmark Towers 345, St. Peter St., Saint Paul, MN, Attn: Cheryl Collins, hereby grants to CREDIT SUISSE AG, as Collateral Agent, with principal offices at Eleven Madison Avenue, New York, New York 10010 (the "**Grantee**"), a continuing security interest in all of the Grantor's right, title and interest in, to and under (i) each United States Mark, including, without limitation, each registered or applied for Mark set forth on Schedule A attached hereto, (ii) each Contract that includes any license of, or other grant of rights to, any Mark or any other trademark or similar intellectual property right of any party to such Contract, including, without limitation, the material Contracts that include any in-bound license of any registered or applied for United States Mark, as set forth on Schedule A attached hereto, (iii) all Proceeds of the foregoing, (iv) the goodwill of the businesses with which the Marks are associated and (v) all causes of action arising prior to, on or after the date hereof for injury to or infringement, violation or dilution of any of the foregoing or unfair competition regarding the same or for injury to the goodwill associated with any of the foregoing or violation of intellectual property rights in connection with any of the foregoing, including all proceeds and revenues therefrom, in each case, whether now owned or existing or hereafter acquiring or arising (the items described in clauses (i)-(v), collectively, the "**Mark Collateral**"). Notwithstanding the foregoing, in no event shall there be a grant of a security interest in any application for registration of a Mark filed with the United States Patent and Trademark Office ("**PTO**") on an intent-to-use basis until such time (if any) as a Statement of Use or Amendment to Allege Use is filed and accepted by the PTO, at which time such Mark shall automatically become subject to the security interest pledged.

This Grant is made to secure the satisfactory performance and payment of all the Secured Obligations of the Grantor, as such term is defined in the Security Agreement among the Grantor, the other assignors from time to time party thereto and the Grantee, dated as of November 28, 2012 (as amended, modified, restated and/or supplemented from time to time, the "**Security Agreement**"). Upon the occurrence of the Termination Date, the Grantee shall execute, acknowledge, and deliver to the Grantor an instrument in writing releasing the security interest in the Mark Collateral acquired under this Grant.

The Grantor irrevocably constitutes and appoints the Grantee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney in fact with full power and authority in the name of the Grantor or in the Grantee's name, from time to time, in the Grantee's discretion, solely so long as

any Event of Default shall have occurred and be continuing, to take with respect to the Mark Collateral any and all appropriate action which the Grantor might take with respect to the Mark Collateral as permitted in the Security Agreement and to execute any and all documents and instruments which may be necessary or desirable to carry out the terms of this Grant and to accomplish the purposes hereof.

Except to the extent expressly permitted in the Security Agreement or the Credit Agreement, the Grantor agrees not to sell, license, exchange, assign or otherwise transfer or dispose of, or grant any rights with respect to, or mortgage or otherwise encumber, any of the Mark Collateral.

This Grant has been granted in conjunction with the security interest granted to the Grantee under the Security Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are more fully set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble, have the meanings provided or provided by reference in the Security Agreement.

This Grant may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
