WHEREAS, Assignor is the owner of all right, title and interest in and to the trademark set forth on Appendix A (the "Trademark"); and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Trademark.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

Assignor hereby sells, assigns, transfers and conveys to Assignee the entire right, title, interest in and to the Trademark in the United States and all jurisdictions outside the United States, together with the goodwill of the business connected with and symbolized by the Trademark (including, without limitation, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademark, any priority right that may arise from the Trademarks, any common law rights, and the right to enforce, defend and retain damages for past, present, or future infringement, dilution, misappropriation, or other claims relating to the Trademarks), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for registration to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents and do other acts reasonably requested by Assignee to effect the intent of this Assignment or to confirm Assignee's ownership of the Trademark. Upon Assignee's first request, Assignor shall procure the release of any security interest in the Trademark.

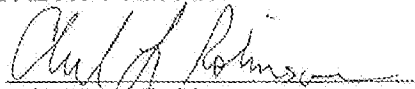

This Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original,

This Assignment shall be governed by and construed in accordance with the laws of the State of New York without regard to any conflict of laws provisions thereof that would result in the laws of another jurisdiction. Both Assignee and Assignor hereby consent to and submit to the exclusive jurisdiction and venue of the federal and state courts located in the State of New York for the enforcement or interpretation of this Assignment or any disputes under or arising out of this Assignment.
